Year One Summer Term Curriculum Letter

Dear Parents,

Welcome back to the Summer Term. We hope that you had a nice rest and the children are re-charged and ready for their learning journey to continue. This is a very busy term with fun events like Sports Day, The Key Stage One Assembly, Moving Up Day and more opportunities for Learning Outside the Classroom activities.

Learning sessions

The day continues to consist of Literacy and Maths in the morning and topic in the afternoon.

The theme of our topic is 'Into the Garden'. It will explore 'Plants' and 'Seasonal Changes' as part of Science as well as toys and mapping skills.

In English, texts will still be sent as part of children's homework. Currently children are learning our fiction text 'Where the Wild Things are'. In Phonics, we will also be preparing for the Phonics Screening Check this term.

In Maths, we will be learning about multiplication and fractions as well as consolidating skills and techniques learnt throughout Year One.

Housekeeping

- Children will keep getting homework each week. This will include English and Maths. There will also be an optional topic activity. Books are handed in on a Monday and returned on Tuesdays.
- Weather - We are always hopeful with the weather. Children should have sun protection and an easily identifiable water bottle. Children can bring sun cream into school but they cannot share and need to be able to apply their own to themselves.
- This term Pads, the class mascot, will be having the joy of visiting you and your family for the night, or weekend. Please write in his journal about your time together. They should then be returned for the next school day.
- There's a Bushey schools mini-Olympics on Tues 15th May at Queens school that all year 1s are attending. Please tell us if you're free that morning to help walk them there and back.

Thank you for your continued support

The Year One Team
