

Dear Mrs Tregear,

I would like to congratulate you, governors, your leadership team and staff on this wonderful diocesan inspection report!

It was a delight to read how independent observers were so impressed by the enriching educational experience provided by Sacred Heart for your pupils. I was particularly taken by the richness of the prayer life and the extent to which the pupils were involved in planning worship and so making it their own. You provide so many opportunities for the pupils to grow to become the people God created them to be and to develop compassion, notably for those on the margins of society; again the involvement of the pupils in the leadership of this aspect of school life is truly inspirational. I enjoyed reading about how you empower your pupils in the development of their religious literacy and their ability to articulate their faith in such a mature fashion. What also came through as a real strength was your partnerships with the parish and with parents and the way in which you engage with them to ensure pupils receive the best Catholic education you can.

As always it is the quality of leadership, the vision, clarity and inspiration of the head and her leadership team, with governors, that enables a school to move forward with such strength.

With every good wish and warmest congratulations.
