

Sacred Heart Catholic Primary School & Nursery

Newsletter No. 35

Friday 7 July 2017

It has been another very busy week for the children. The Reception children went on their visit to the Rose Garden and King George Park and they had a wonderful time. Nursery and some of the Infant classes also had a visit from the local firefighters who brought the fire engine into the car park. We have hosted several sporting events and our children showed their fantastic team spirit as they worked and played together. Today the Junior children had their dress rehearsal for their end of year production – Pirates of the Curry Bean. If you have managed to purchase a ticket, you are in for a real piratical treat. The Infant children have also started to prepare for their end of year assembly and that promises to be a wonderful end of year delight.

As we look forward to the next academic year, the school is finalising where teachers will be next year. The children will find out who their new class teacher will be by the moving-up afternoon.

We look forward to seeing you on Sunday for our Summer Fair.
Have a lovely weekend.

Miss Rachel McCarthy
Acting Deputy Head

Competitions & Achievements

The winning class for attendance last week was Year 3. Well done and enjoy your class reward.

Good luck to the Year 5 children who will be representing our school in the district final for athletics on Tuesday.

The Year 5 and Year 6 girls played a netball match against Ashfield on Tuesday. The Year 5 girls drew 2-2 and in the Year 6 lost by one point in their match.

Well done to the girls who played in their league final against Chorleywood last Monday. Their team spirit and attitude has been noticed in every match that they have played in. The score was 2-1 to Chorleywood.

Please return any school football kits that you have at home.

School Uniform

As we come to the end of the school year, some children may have outgrown their school shoes. In line with our uniform policy, if your child has outgrown their shoes please ensure that they have either a pair of black school shoes or a pair of plain black plimsolls to wear.

Dates for your Diary

Premier Sport Gymnastics Thursday 13th July
Watford Football (Year 1&2) Friday 14th July

Snap Chat

You might have seen in the press that there has been a new update to Snapchat. You can now zoom in on one of your Snapchat friends and it will tell you what street they are currently on. This could be dangerous for young children. If your child is using this, you need to check that they know EVERYONE on their Snapchat or make sure they have ghost mode enabled.

Change your avatar to ghost mode. To see the map, pinch the screen when you are on Snapchat camera then you can turn on ghost mode.

On With The Show Productions 2017

With the summer holidays fast approaching, there's no better way to keep four to 16 year olds occupied than getting them involved with a local production.

On With The Show Productions (OWTS) is a two week summer project, at the Pump House, from 31 July to 11 August, 9.30 – 3pm (early session available from 8am)

OWTS has more than 15 years' experience in performing arts and that experience is used to involve the students in all aspects of putting on a show - the back stage crew, sound and lighting, costume and set design, directing and script writing through to performing. All the hard work is then presented in two shows on the final day of the project.

The two weeks is all about making friends, learning new skills, working as part of a team and putting on a show to be proud of.

One parent commented: "I want to thank you and all the team so much for the fun they've had at OWTS over the many years we have been involved. I am sure all the children get as much out of the experience, on so many different levels, as mine have done. They will carry fond memories and valuable experience all their lives, so thank you!"

Experience and ability is not necessary as the ethos behind OWTS is to encourage everyone to get fully involved, build confidence and many students discover talents they didn't know they had.

Check out www.owts.co.uk or email onwiththeshow@ntlworld.com for more information
