

Danusia Wysocki

Married to Pawel we have two children at Sacred Heart School, in Y1/2 and Y5. I became a Foundation Governor in November 2014 with the role of link Governor for Computing and Science and am currently Chair of the Resource Committee.

I qualified as an Accountant with the ACCA in 2003 working in practice for a number of years before moving into industry as Finance Manager for a Food Distribution Company.

After having children I started an academic career in 2007, lecturing in Accountancy and Finance at London South Bank University. Having completed my PGCHE and Masters in Accounting I am now Course Director of the BA (Hons.) Accounting and Finance Degree at LSBU.

I am passionate about education and supporting the spiritual growth of our children, strengthening our sense of community and of belonging to the Church.
