

Nicole Moran

I have been a governor at the Sacred Heart for a number of years now, working with both Mrs Hatch and Mrs Cooper before her. I am looking forward to the challenges facing the school in the coming years, working alongside the teaching staff, children and parents. I have three children, two of which have attended Sacred Heart. My youngest son leaves the school in July 2016.

I originally became a parent governor and having served my four year term, I have now taken over the role of LA (Local Authority) governor. I attend regular full board meetings and also sit on the resource committee. I have worked for Hertfordshire County Council since 1998, within the Health and Community Service. I attend church regularly and take an active part in church life.
