

Philippa Knight - Foundation Governor

I first became a Parent Governor just over 14 years ago when my eldest child was at Sacred Heart School. This is my third period of office as a Foundation Governor. I have served on several committees' over this time including Admissions and School Improvement Committee's. I am a true believer in every child having a happy and informative education to enable them to reach their true potential.

All four of my children have attended Sacred Heart School, with my twin boys leaving in July 2016. Each of them were given a great foundation to bring with them to Secondary School and beyond.

I have worked in the Financial Services industry for the past 26 years in various roles, including Branch Manager and Mortgage Consultant. I am passionate about working with the leadership team and seeing the school evolve further in the future.

I regularly attend 10.30 Mass on a Sunday and am an active member of the Parish.
