

Year 2/3 Homework

Week beginning 5th March 2018

All homework is due in by Monday 12th March and must be completed in school pencil or pen. Maths must be completed in pencil.

Reading

Each time you read your home reading book please write in your reading record. Put the date and the pages you have read. You can write this or your parents can write this for you.

Please make sure that you are reading every night. Think about what has happened so far, key characters, setting, genre, what you are enjoying so far.

Spellings

See attached sheet. Write each spelling out three times in your homework book in your neatest handwriting. Make sure you understand the meaning of your spelling words.

Extension: Write sentences using your spelling words.

Art

Children's Art Competition 2018 - The Sky at Night

The Hertfordshire Branch of Campaign to Protect Rural England is holding an art competition for primary school children. Our Eco-Council has been working hard to clean up our school and discuss pollution and the effects on our environment.

The theme this year is based on light pollution. The concern is that, even in the depths of the countryside, genuine starry nights are becoming harder to find. We are asking the children to think about the night sky and to use their imagination to show what it looks like.

The artwork can be portrayed in any medium but the size must be A4.

The children have until Friday 23rd March to bring in their piece of art. It will then be entered into the competition.

Maths

Complete the times tables speed test. Spend 5 minutes on the first half to see how many you can answer, then at the end of the week spend 5 minutes on the second half to see if you can improve your time and amount answered.

We will be repeating this speed test in class during the week.

Here are some websites you can use to continue practising your times tables:
