Children's Art Competition 2018- The Sky at Night

The Hertfordshire Branch of Campaign to Protect Rural England is holding an art competition for primary school children. Our Eco Council has been working hard to clean up our school and discuss pollution and the effects on our environment.

The theme this year is based on light pollution. The concern is that, even in the depths of the countryside, genuine dark starry nights are becoming harder to find. We are asking the children to think about the night sky and to use their imagination to show what it looks like. This art work can be portrayed in any medium but size the must be A4. **The children have until Friday 23rd March to bring in their piece of art.** It will then be entered into the competition.
