

Year 6 Homework

Week beginning 11th September 2017

All homework is due in by Monday 18th September and should be completed in school pen or pencil. If you need paper for your homework, then this is available in class.

The times under the homework show you how long to spend on each task but is only a guide. If you have not finished the task in this time, ask an adult to sign the work to show you have spent the correct time.

Weekly Reminders

- Our PE this week is Monday and Thursday. Trainers should be in school every day.
- Our beginning of term Mass is on Friday at 9.15 in the church.

RE and Handwriting

You need to learn our class prayer so that you can say it without the words. Write the prayer out using your neatest handwriting in the homework book you have been given then learn it. You can illustrate the prayer using handwriting patterns or repeating shapes. You should also cover your homework book or design your own appropriate front cover.

(about 30 - 35 minutes but I suggest that you break this down into shorter sessions)

Citizenship and PSHE

Last week we held our elections for Class Council (School Council) and Eco Council. Your task this week must be completed for Monday:

1. You need to decide what qualities you would want from your Class Council or Eco Council Representative. Write a list of at least 5 qualities that you would have in the job description.
2. Additionally, do you have any suggestions or ideas for our School and Eco Council Representatives? Make a list outlining these ideas so that we can then feedback in class to members of the Council.

Reading

1. You should be reading your own reading book independently at home.
2. Read Hungry world Sponsored Walk, answer all 5 questions and then complete the Find Out Yourself either by doing some research or talking at home.

If there is any vocabulary that you are unsure of, make a note of it and try to look it up.

(about 10 - 15 minutes)

Maths

You all need to complete the first two parts: ordering the numbers and putting numbers on the number line. Then challenge yourself with the rest of it.

(about 20 minutes)

Year 6 Class Prayer

Dear Lord,

We thank you for our education and the environment that we live in.
Please help us to have a good night's sleep so that we can persevere in our work.
We also pray that we can be tolerant and patient with those around us.
We apologise for our bad decisions and being hurtful to others.
Thank you for listening to our prayer,

Amen
