SACRED HEART CATHOLIC PRIMARY SCHOOL & NURSERY

27th January 2021

Dear Parents and Carers,

I hope that you all enjoyed the snow on Sunday. We have had some lovely pictures sent in of the children playing in the snow. You will be able to see these in the Children's Newsletter on Friday. I would like to say a heartfelt thank you to you all for the continued messages of thanks that you have given to the staff. It has been really appreciated. I would also like to thank you for supporting your children to access their learning. I appreciate that learning at home is not easy especially whilst you are also working. It has been wonderful to see the children online and we have been so impressed with their work.

May God bless you and take care.

Mrs Smith

Remote Learning

You can access the children's remote learning through Google Classroom. On the school website under pupils there is a Google Classroom page. This has videos with advice on how to use Google Classroom.

<https://sacredheart682.herts.sch.uk/>

The children have continued to work incredibly hard and are becoming experts at using Google Classroom. Thank you parents for supporting your children with their learning and thank you to the teachers who are ensuring that both the children in school and at home are being taught.

Little and often is the best way to help learning embed in a child's long term memory. Therefore it is better to do some English and Maths every day as opposed to spending hours one day and not doing any the next. You may also find that if your child spends too long working one day, they will find it more difficult to be motivated the next day.

Children's Newsletter

School Newsletter

If you would like your child's work to go into the Children's Newsletter or onto the school's Twitter account, please email their work to: news@sacredheart682.herts.sch.uk. This is a lovely way for pupils to share their work. Any pictures and work that are sent through to this email account will be put into the Children's Newsletter and/or onto the school's Twitter account. Please only send to the news email if you are happy for these to be used for those two purposes.

Attendance

We are continuing to take the register during the first morning live meeting and at least 98% of the school are accessing their learning everyday. This is amazing and once again I would like to thank the parents and staff for supporting the children to access their work.

Wellbeing

Lockdown is a challenging time for everyone. Below are some links to sites which have advice and tips for families during lockdown.

COVID-19

If your child tests positive for coronavirus, please notify us as soon as possible so we can complete the relevant tracking and tracing process with Public Health and notify any other children or staff who have been in close contact and need to self-isolate.

Remember as soon as your child or any member of your household develops symptoms, they must start self-isolating immediately and book a test.

Main symptoms of coronavirus are:

- a high temperature
- a new, continuous cough
- a loss or change to sense of smell or taste – this means they cannot smell or taste anything, or things smell or taste differently

If you're not sure whether symptoms suggest that they have coronavirus or an everyday cough or cold, you can consult the online NHS symptom checker:

<https://www.nhs.uk/conditions/coronavirus-covid-19/symptoms/>
