1 Aims and expectations

- 1.1** It is a primary aim of our school to ensure every member of the school community feels valued and respected, and that each person is treated fairly and well. We are a caring community, whose values are built on mutual trust and respect for all. The school behaviour policy is therefore designed to support the way in which all members of the school can live and work together in a supportive way. It aims to promote an environment where everyone feels happy, safe and secure.
- 1.2** The school has a number of school rules, but the primary aim of the behaviour policy is not a system to enforce rules. It is a means of promoting good relationships, so that people can work together with the common purpose of helping everyone to learn. This policy supports the school community in aiming to allow everyone to work together in an effective and considerate way.
- 1.3** The school expects every member of the school community to behave in a considerate way towards others.
- 1.4** We treat all children fairly and apply this behaviour policy in a consistent way.
- 1.5** This policy aims to help children to grow in a safe and secure environment, and to become positive, responsible and increasingly independent members of the school community.
- 1.6** The school rewards good behaviour, as it believes that this will develop an ethos of kindness and co-operation. This policy is designed to promote good behaviour, rather than merely deter poor behaviour.

2 Rewards and Sanctions

- 2.1** We praise and reward children for good behaviour in a variety of ways:
- Teachers congratulate children.
 - Via a house point system. There are four houses; Matthew, Mark, Luke and John. All staff can give out house points. At the end of each half term the winning house receives a reward such as an extra playtime. At the end of the year, the house cup is given to the house which has the most points.
 - 'Smile' certificates are given out weekly during celebration assembly.
 - Stickers are awarded to children either for consistent good work or behaviour, or to acknowledge outstanding effort or acts of kindness in school.
 - Traffic light behavioural system in place for those pupils with challenging behaviour. The school follows the Hertfordshire Steps system to support these children.
 - Whole class reward system. Weekly 'Ready to Learn' awards.
 - Olympic Values Band Reward System. The values are: friendship, respect, courage, equality, inspiration, determination and excellence. Children have

Sacred Heart Catholic Primary School

the opportunity to collect different coloured stars. Once a child has collected seven coloured stars the corresponding band is awarded.

- 2.2** The school employs a number of sanctions to enforce the school rules, and to ensure a safe and positive learning environment. We employ each sanction appropriately to each individual situation.
- Children need to be guided to ensure they make the right choice. If a child makes the wrong choice they will receive a sanction depending on the severity of the incident. Poor behaviour will be addressed through a 'code' system.
 - We expect children to follow the school rules. A warning is given by the teacher before a child goes onto the code system. If the child does not correct his/her behaviour a Code 1 is given.
 - Code 2 is given if the child continues to misbehave. The teacher will ask them either to move to a place nearer the teacher, or to sit on their own at the 'time out' table. The child will miss morning playtime.
 - Code 3 means the child is sent to their foster class for the whole lesson. Here the child has to complete a 'time-out' sheet which explains what the child did wrong and what the child should have done. A letter is sent home by the teacher explaining why their child received a Code 3. The child will miss one playtime and lunchtime.
 - Code 4 can only be given out by the Senior Leadership Team. A letter is sent home. Parents of the child are requested to discuss the Code 4 incident with the Senior Leader. The child will miss two morning playtimes and lunchtimes in Key Stage 1, and three morning playtimes and lunchtimes in Key Stage 2. The child will take part in our being kind/helpful scheme.
 - Five Code 4 letters in one half term equals one day internal/external exclusion.
 - Code 5 letters are given for very serious incidences and may result in fixed or permanent exclusion depending on the seriousness of the incident. (Ref 7.1) When the child returns to school they will miss three playtimes and three lunchtimes. Code 5 can be only given out by the Executive Headteacher, or Head of School.
 - If a child receives ten, Code 1 in one half term, a code three letter will be sent home.
 - If a child receives five, Code 2 in one half term, a code three letter will be sent home.
 - If a child receives five, Code 3 letters in one half term, a code four letter will be sent home.
 - We expect children to try their best in all activities. If they do not do so, we may ask them to redo a task.
 - If a child is disruptive in class, the teacher will reprimand him or her. If a child misbehaves repeatedly, we will isolate the child from the rest of the class until he/she calms down, and is in a position to work sensibly again with others.
 - The safety of the children is paramount in all situations. If a child's behaviour endangers the safety of others, the class teacher will stop the activity and prevent the child from taking part for the rest of that session.

Sacred Heart Catholic Primary School

- If a child threatens, hurts or bullies another pupil or adult, the class teacher will record the incident and the child will receive a sanction. If a child repeatedly acts in a way that disrupts or upsets others, the school will contact the child's parents and seek an appointment in order to discuss the situation, with a view to improving the behaviour of the child.

2.3 The class teacher will discuss the school rules with each class. In addition to the school rules, each class also has its own classroom code, which is agreed by the children and displayed on the wall of the classroom. In this way, every child in the school knows the standard of behaviour that we expect in our school. If there are incidents of anti-social behaviour, the class teacher will discuss these with the whole class.

2.4 The school does not tolerate bullying of any kind. If we discover that an act of bullying or intimidation has taken place, we will act immediately to stop any further occurrences of such behaviour. While it is very difficult to eradicate bullying, we do everything in our power to ensure that all children attend school free from fear.

2.5 All members of staff are aware of the regulations regarding the use of force by teachers, as set out in DfEE Circular 10/98, relating to section 550A of the Education Act 1996: *The Use of Force to Control or Restrain Pupils*. Teachers in our school do not hit, push or slap children. Staff only intervene physically to restrain children to prevent injury to another child or adult, or if a child is in danger of hurting him/herself. The actions that we take are in line with government guidelines on the restraint of children.

3 The role of the class teacher

3.1 It is the responsibility of the class teacher to ensure that the school rules are enforced in their class, and that their class behaves in a responsible manner during lesson time.

3.2 The class teachers in our school have high expectations of the children in terms of behaviour, and they strive to ensure that all children work to the best of their ability. Children will be asked to complete work again if it is not to the best of their ability.

3.3 The teacher keeps records of all reported incidents of misbehaviour, in the incident folders. This records all codes given to the children.

3.4 The class teacher treats each child fairly and will enforce the classroom code consistently. The teacher treats all children in their class with respect and understanding.

3.5 If a child misbehaves repeatedly in class, the class teacher keeps a record of all such incidents. In the first instance, the class teacher deals with incidents him/herself in the normal manner. However, if misbehaviour continues, the class teacher will seek help and advice from the Head of School.

Sacred Heart Catholic Primary School

3.6 The class teacher liaises with external agencies, as necessary, to support and guide the progress of each child. The class teacher may, for example, discuss the needs of a child with the education social worker or LEA behaviour support service.

3.7 The class teacher reports to parents about the progress of each child in their class, in line with the whole school policy. The class teacher may also contact a parent if there are concerns about the behaviour, or welfare of a child.

4 The role of the Executive Headteacher & Head of School

4.1 It is the responsibility of the Executive Headteacher & Head of School, under the School Standards and Framework Act 1998, to implement the school behaviour policy consistently throughout the school, and to report to governors, when requested, on the effectiveness of the policy. It is also the responsibility of the Executive Headteacher & Head of School to ensure the health, safety and welfare of all children in the school.

4.2 The Executive Headteacher & Head of School support the staff by implementing the policy, by setting the standards of behaviour, and by supporting staff in the implementation of the policy.

4.3 The Executive Headteacher & Head of School keeps records of all reported serious incidents of misbehaviour.

4.4 The Executive Headteacher & Head of School has the responsibility for giving fixed-term exclusions to individual children for serious breaches or persistent breaches of this policy. For repeated or very serious acts of anti-social/inappropriate behaviour, the Executive Headteacher & Head of School may permanently exclude a child. School Governors are notified of all exclusions. This is a measure of last resort where the school has taken all reasonable steps to avoid excluding the child, and allowing the child to remain in school would be seriously detrimental to the education or welfare of the pupils or that of others at the school.

5 The role of parents

5.1 The school works collaboratively with parents, so children receive consistent messages about how to behave at home and at school.

5.2 We explain the school rules in the school prospectus, and we expect parents to read these and support them.

5.3 We expect parents to support their child's learning, and to co-operate with the school, as set out in the home school agreement. We try to build a supportive dialogue between the home and the school, and we inform parents immediately if we have concerns about their child's welfare or behaviour.

5.4 If the school has to use reasonable sanctions to discipline a child, parents should support the actions of the school. If parents have any concern about the

Sacred Heart Catholic Primary School

way that their child has been treated, they should initially contact the class teacher. If the concern remains, they should contact the Phase Leader. If these discussions cannot resolve the problem, parents should contact the Head of School, then the Executive Head.

6 The role of governors

- 6.1** The governing body has the responsibility of setting down these general guidelines on standards of discipline and behaviour, and of reviewing their effectiveness. The governors support the Executive Headteacher and Head of School in carrying out these guidelines.
- 6.2** The Executive Headteacher and Head of School has the day to day authority to implement the school behaviour and discipline policy, but governors may give advice to the Executive Headteacher and Head of School about particular disciplinary issues. The Executive Headteacher and Head of School must take this into account when making decisions about matters of behaviour.

7 Fixed-term and permanent exclusions

- 7.1** Only the Executive Headteacher and Head of School (or the acting Executive Headteacher and Head of School) has the power to exclude a pupil from school. The Executive Headteacher and Head of School may exclude a pupil for one or more fixed periods, for up to 45 days in any one school year. The Executive Headteacher and Head of School may also exclude a pupil permanently. It is also possible that a fixed-term exclusion may be followed by a permanent exclusion if the circumstances warrant this.
- 7.2** If the Executive Headteacher and Head of School excludes a pupil, she/he informs the parents, giving reasons for the exclusion. At the same time, the Executive Headteacher and Head of School make it clear to the parents that they can, if they wish, appeal against the decision to the governing body. The school informs the parents how to make any such appeal.
- 7.3** The Executive Headteacher and Head of School informs the LEA and the governing body about any permanent exclusion, and about any fixed-term exclusions beyond five days in any one term.
- 7.4** The governing body itself cannot either exclude a pupil or extend the exclusion period made by the Executive Headteacher and Head of School.
- 7.5** The governing body has a discipline committee which is made up of between three and five members. This committee considers any exclusion appeals on behalf of the governors.
- 7.6** When an appeals panel meets to consider an exclusion they consider the circumstances in which the pupil was excluded, consider any representation by parents and the LEA, and consider whether the pupil should be reinstated.

Sacred Heart Catholic Primary School

- 7.7 If the governors' appeals panel decides that a pupil should be reinstated, the Executive Headteacher and Head of School must comply with this ruling.

8 Monitoring

- 8.1 The Executive Headteacher and Head of School monitors the effectiveness of this policy on a regular basis. She/he also reports to the governing body on the effectiveness of the policy and, if necessary, makes recommendations for further improvements.
- 8.2 The school keeps a variety of records of incidents of misbehaviour. The class teacher records minor classroom incidents. The Executive Headteacher and Head of School record those incidents where a child is sent to him/her on account of bad behaviour. We also keep a record of any incidents that occur at break or lunchtimes.
- 8.3 The Executive Headteacher and Head of School keeps a record of any pupil who is suspended for a fixed-term, or who is permanently excluded.
- 8.4 It is the responsibility of the governing body to monitor the rate of fixed term and permanent exclusions, and to ensure that the school policy is administered fairly and consistently.

9 Review

- 9.1 The governing body reviews this policy every year. The governors may, however, review the policy earlier than this, if the government introduces new regulations, or if the governing body receives recommendations on how the policy might be improved.

Disability Equality Scheme

This policy supports the school's Disability Equality Scheme and it is available in a range of different formats, for disabled parents and the wider public.
