

Sacred Heart Catholic Primary School

Children's Newsletter

12th February 2021

Dear children of Sacred Heart School,

This week has been Feeling Good week. I hope you have enjoyed doing something this week that makes you feel good, whether it be some writing, a drawing or an activity you have done. Another activity you could do to finish the week is write down something that makes you happy and share this with your family. It would be lovely to share these happy thoughts with others.

Next week is half term and a well deserved break for you all. You have been working so hard this half term and have done very well with online learning. Well done everyone!

Have an enjoyable and restful half term,

Mrs Hussey

Thank you NHS

Let's take this chance to thank all of the incredible nurses, doctors, NHS support staff & carers who are working extremely hard to fight coronavirus. It is great to see all the creative ways you have shown your support for the NHS.

Senudi has built a hospital and dressed up as a doctor as a tribute to the NHS. Great work!

Noah has been working hard and learning about people who help us in the community. He then built a hospital and spoke about the people who help us when we are unwell or hurt. Well done Noah!

Feeling Good Week

I hope everyone has enjoyed doing something this week that has made them feel good.

Hansel and Hermione enjoyed playing in the snow this week.

Aiden in Year 5/6 sent this picture. His dog was featured in a magazine!

Theo in Year 1 and his little brother made this fantastic heart garland to display in their window.

Marysia in Year 2 made her own cosy reading corner!

Creative Corner

Kiara in Year 1 and Tiyana in Nursery have done these brilliant paintings of a tree and a gingerbread man.

Maths

Lottie in Nursery has been measuring objects at home with the length of her hands. She then put the objects in order from the shortest to the tallest. Well done Lottie!

Cooking

Dominic made this Victoria sponge for his family all by himself! It looks delicious!

English

Year 5 have been reading Kaspar: Prince of Cats. For the topic Harvey made this fantastic poster persuading people to buy a ticket for the maiden voyage of the Titanic.

THE WHITE STAR COMPANY
WOULD LIKE TO INVITE YOU ON
THE MAIDEN VOYAGE OF THE
WORLD'S LARGEST LUXURY LINER

THE TITANIC

No other ship in the world compares to the comfort, opulence and luxury of this ship.

For the discerning gentleman, come and feast on the finest cuisine in our high class restaurants, before taking an evening stroll on one of our stunning decks to catch the sun setting over the Atlantic Ocean. You can while away the evening in one of our cosy & inviting library bars, where you can choose from a large selection of novels to enjoy whilst sitting in comfort, sipping on your favourite tipple and listening to the music from our talented classically trained onboard musicians. For those who enjoy a physical work out, we offer a fully functional gymnasium and on the top deck you will find a large swimming pool with breathtaking views across the ocean.

You will be waited on as if you were in the finest hotel in the world. We want you to relax and enjoy every moment from the second you board our incredible ship.

You simply won't find a more favourable ambience aboard any other ship on the seven seas.

Buy your tickets today to secure your place. Tickets are selling like hot cakes so don't dilly dally. Affordable 3rd class tickets are available.

SETTING SAIL FROM SOUTHAMPTON TO NEW YORK
15th APRIL 1912

First & third class tickets available
Please note, not all on board facilities are available to 3rd class passengers.

Science

Here is Daniel in Year 1 completing his Science project, 'Umbrella Investigation: How can I keep Teddy dry?' This looks like fun!

He tested 3 different materials and decided which would be the best one to make an umbrella. What material do you think would be the best to make an umbrella?

Geography

Samudi in Year 6 made this colourful and informative poster about river pollution and its outcomes.

Design and Technology

Diyana in 3/4 with this wonderful castle she made for D&T. She has used a range of materials to create her final design.

Mindfulness Activity

At the same time of every day, think of one thing to be thankful for.
