

27th April 2020

Dear children of Sacred Heart School,

Welcome back to the Summer Term. Everyone at school has missed you during the last few weeks and we can't wait to see and hear what you have been doing. The teachers have really enjoyed having a chat with you on the phone and hearing about the activities that you have been enjoying and some of the new skills you have been developing.

Mrs Montalvo shared a fabulous website with me the other day and you might like to try it out too. The illustrator Rob Biddulph (#Draw with Rob) posts a draw-along video every Tuesday and Thursday at 10am on his website www.robiddulph.com/draw-with-rob. I was so keen to have a go that I followed the instructions and drew a Gregosaurus. I would really love to see some of your drawings of his characters.

Take care and stay safe

Miss McCarthy

Thank you NHS

James drew this wonderful message for the NHS on his drive and Aiobhinn created a fantastic frame. What great work to say thank you to such a special team of people!

30 Day Lego Challenge

We really enjoying seeing all your Lego creations. Keep checking the Twitter feed @NewsfromSHS for the daily challenge and then email in your creations to news@sacredheart682.herts.sch.uk.

Here are some more of Jaydon's great creations.

Easter Bingo

Violet and Joyce created their own Easter Bingo game which they played at home. The whole family had lots of fun!

Easter Crosses

Sean, Carter and Shea made some beautiful Easter crosses.

Your Daily Exercise

What have you been doing as part of your daily exercise?

It was lovely to hear about some of the activities that you have been doing for your daily exercise: working out with Joe Wicks (we know that quite a few of your parents are doing this too), bike rides, family walks, playing in the garden, running and following nature trails.

We would love to hear what you are doing when you are outside. Have you noticed the birds singing, the blossom falling from the trees or the dandelions that have suddenly appeared?

Cooking

Lots of you are having the opportunity to practise your cooking skills. Aiobhinn, Rosa, Tait and Darcie have baked some really delicious cakes.

Poetry Corner

Sebastian and Daniel both sent in fabulous poems. More poems next week!

The Chinese dragon

Its eyes are glowing amber,
its belly's emerald green,
I believe this amazing creature
is the most colourful thing I've seen.

Its wings are vast and scaly,
its tail's a venomous snake.
And when it opens its cavernous mouth,
I can see a smoky lake.

With teeth that hang like stalactites,
and claws that could slice a tree,
I believe this dragon's a fearsome beast
and it's coming after me!!!

By Sebastian Browze

I Love Planes

Planes can fly really fast,
when they're up in the air.
They go through big white clouds
without a care.

They make a very loud noise
especially fighter jets.
The big engines roar and roar
but you should never open the heavy door!

There are blue ones and red ones
with big wings and small wings.
These wings will never snap,
and they control many things!

I would like to fly a plane
because I think it's fun.
I must study really hard!
but first I want to eat a tasty bun!

St George's Day

We had some wonderful photos sent in of you all dressed to celebrate St George's Day. Here are a few of them.

We need your work

You could see your work in the next edition of the Children's Newsletter. Send any contributions to our new email address news@sacredheart682.herts.sch.uk
