

Year 1 Homework
Week beginning 30th November 2020
Due 7th December 2020

Class News

Dear Parents,

Please continue to read school reading books and record this at least four times each week. Please make sure that the comments are dated and signed. Children should ask an adult to ask them three questions about their book.

Our PE day is Thursday so children need to come into school wearing PE kit and with the school tracksuit on top. Earrings should not be worn on PE days. Hair must be tied up if long enough.

Have a good week.

School Production

For our Christmas production, please can your child bring in a festive jumper and smart trousers/skirt in a named carrier bag into school by Friday 4th December.

If you have any problems sourcing any items, please let us know as soon as possible. We will give you details on how to access the school play in due course.

Reading

Please complete the assignment on Reading Eggs.

Maths

We have been learning about position in Maths. This week's homework is to complete the assignment on Education City.

Extension: Practice your number bonds to 10.

$1 + 9 = 10$

$2 + 8 = 10$

$3 + 7 = 10$

$4 + 6 = 10$

$5 + 5 = 10$

English

We are working hard on the presentation of our writing. You now have a copy of the handwriting expectations for Phase 1/2 for writing and number formation for maths. Please encourage your child to practice them when completing their homework.

Practise spelling the underlined words at home. Write the sentences once in your homework book.

1. Pull your socks up.
2. I would like one ice cream please.
3. Can we go to the park.

Extension: Put the underlined words into your own sentences.
