

**Year 2 Homework**  
**Week beginning 7<sup>th</sup> December 2020**  
**Due 14<sup>th</sup> December 2020**

**Class News**

Dear Parents,

We are on the final countdown to the KS1 production and can't wait to show you all! All costumes for the production should now be in school.

Please continue to read school reading books and record this at least four times each week. Please make sure that the comments are dated and signed. Children should ask an adult to ask them three questions about their book.

Our PE day is Thursday so children need to come into school wearing PE kit and with the school tracksuit on top. Earrings should not be worn on PE days. Hair must be tied up if long enough.

Have a good week.

**School Production**

Continue to practise your lines for the school play and using a loud voice, expression and body language. Do you know when you need to be on the stage? Who is before and after you?

**Maths**

This week's homework is to complete the assignment on My Maths.

Extension: Start to learn your 3 times tables.

**English and RE**

Lots of children have asked if we can have a 'Secret Santa' where they pick a name and give a gift for that person. We can do this this year, but ask that all gifts are wrapped and handed in by **Monday 14<sup>th</sup> December at the very latest**, in order that they can be quarantined before being given out at the end of the week.

At Christmas, many people like to give gifts, however they are not always materialistic. Your homework this week is to make a gift for the person's name you have pulled out of the box. Without revealing your identity, you have to discreetly find out what he/she likes (e.g. drawing, football, pets etc). Once you have enough information you will make (not buy) a present which reflects their interests, wrap it up and put it under the Christmas tree. Make sure it has their name on it! We will open the presents just before the end of term.

This task not only gives us the opportunity to find out things about other people, but reminds us that gifts do not have to be something we buy, but it is also the time and effort put in that makes them special.

All wrapped presents are due to be in school by **Monday 14<sup>th</sup> December** but you can bring them in before this and put them (secretly) under the Christmas tree.

Please let us know if you have any problems as soon as possible to ensure no child is left out.
