St Joseph's Feast Day

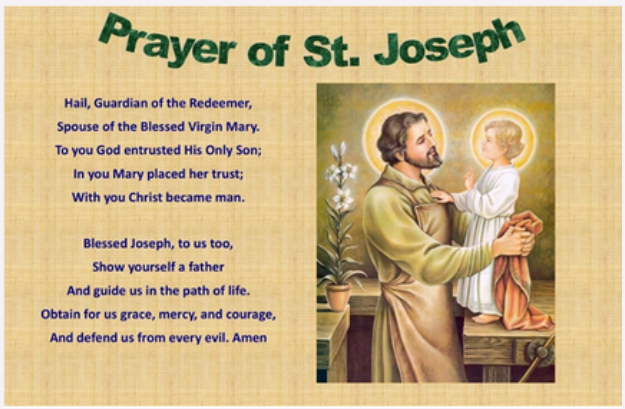

On Wednesday 1st May St Joseph's class celebrated their feast day. They wore their own clothes to school, learnt about St Joseph, held a special collective worship and made lillies to remind them of St Joseph. They also went to Nursery to visit their chicks.

Phase 1/2 Mass in Church

On Thursday 2nd May, Phase 1/2 had their phase Mass in Church. The children read brilliantly and sang enthusiatically. Thank you to everyone who joined us for this special occasion.

The theme of the Mass was 'Giving Thanks.' During the Mass the pupils gave thanks to God for the world, our cosy homes, our loving families, our firendships and our school. They also thanked Jesus for bringing light into our lives. They thought about how at Sacred Heart we are a heart that sees and a heart that acts.

Here are some of the ways the pupils continued to think about this when they were back in school.

They worked together to learn about God's Creation so that they can help look after it.

As it is the month of May, they asked Mary to help them to be disciples of Christ and to spread the light of Jesus.

Ascension Mass

On Thursday 9th May Years 1 - 6 went to Church to celebrate Ascension. The children listened to the readings from the bible and reflected on the meaning of Ascension - Jesus is with us forever.
The Feast of Ascension is celebrated forty days after Easter. On the Ascension, Jesus and His disciples gathered together for the last time. While they were together, Jesus was taken up to Heaven and disappeared into the clouds.
We say in the Apostle's Creed:
'He ascended into heaven, and is seated at the right hand of the Father. He will come to judge the living and the dead.'
When Jesus ascended into Heaven, two angels appeared to the apostles and told them that Jesus will come back the same way He went up. At the end of time, Jesus will return again. In the meantime we are not alone. It may seem that we are but He is closer to us than ever.
Back in class the pupils completed activities on the Ascension and they have started work on Pentecost.

Chicks in Nursery

For two weeks in April, the Nursery pupils looked after chicks in their classroom. They learnt about the life cycle of chicks and how to look after them.

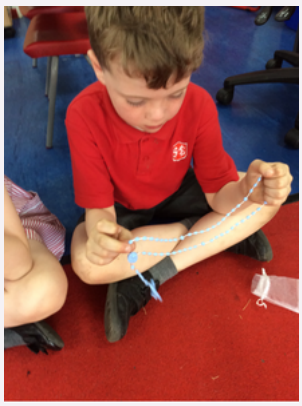

Spotlight on Prayer and Liturgy

Prayer and liturgy are integral components of the religious and spiritual life of the Sacred Heart Community. During May all classes have been praying the rosary. We also held a May procession where the House Captains crowned Mary, the Year 5's from Year 5/6 sang a song about Mary and the choir also sang a song for Mary. As part of our prayer progression each phase has traditional prayers that they learn. Below is the traditional prayer that each phase are currently learning:

Phase	Prayer
Phase EYFS	**Hail Mary**
Phase 1/2	**Grace before meals** Bless us, O Lord, and these your gifts which we are about to receive from your bounty. Through Christ our Lord. Amen.
Phase 3/4	**Come, Holy Spirit** Come, Holy Spirit, fill the hearts of your faithful and kindle in them the fire of your love. Send forth your Spirit and they shall be created and you will renew the face of the earth. Let us pray O God, who by the light of the Holy Spirit, did instruct the hearts of your faithful, grant that by that same Holy Spirit, we may be truly wise, and ever rejoice in your consolation, Through Christ our Lord. Amen.
Phase 5/6	**The mysteries of the Rosary**

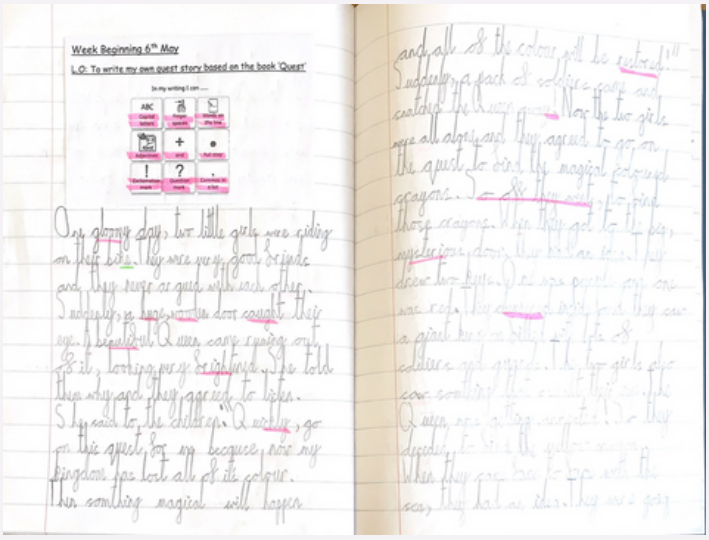

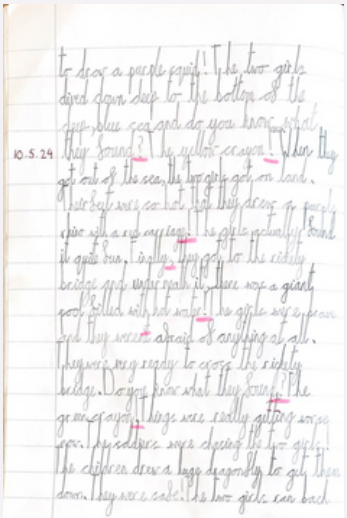

Spotlight on Writing

We use the book approach for our writing topics. This is where the pupils read a book as a stimulus for their writing. Each year group has a range of books and topics they complete. Twice a year the whole school focuses on the same book. Currently, the pupils from Year 1 up to Year 6 are writing stories based on the picture book Quest by Aaron Becker. Each year group has different grammar and text features that they are focusing on.

Year Group	Grammar & Text Focus
Yr N	Writing their name.
Yr R	Writing a simple sentence with a capital letter and full stop.
Yr 1	Joining words in sentences with the word and. Using a capital letter, full stop, question mark and exclamation mark. Using adjectives to descirbe words.
Yr 2	Using the following conjunctions - when, if that and because. To use time words to aid sequencing e.g. first, next, then. Using noun phrases.

L.O: To write a descriptive setting

As we entered through the magical door, we gasped in amazement and wonder – we were now in a beautiful, picturesque forest, where everything was peaceful and quiet. We meandered through the labyrinth of tall, towering trees; we took in the beauty of our surroundings.

Looking up, beyond the cotton-candy clouds, we gazed at the breathtaking shooting stars, as they whisked across the jet-black sky – setting the night aglow.

Suddenly, golden streaks of light shone through the lush, dense canopy of leaves – the sun had risen from its deep slumber; the forest came alive with a symphony of sounds.

My heart skipped a beat, it was a sight we'd never forget. The orchestra of forest noises softened, and we could hear an embodiment of water, trickling in the distance. We carefully followed the soothing sound, and ended up in the heart of the forest, where an eye-captivating waterfall lay. The crystal-clear waterfall cascaded into huge pools, which was home to many marine animals, of all shapes and sizes.

Catholic Social Teaching – Dignity of the Worker

During this half term, we are focusing on Dignity of the Worker.
Pope Francis said that:

'Work is fundamental to the dignity of a person. Work anoints us with dignity, fills us with dignity, makes us similar to God, who has worked and still works, who always acts...'''
Pope Francis
Feast of St Joseph the Worker, May 2013

Some of the ways we are focusing on this are:

- In assemblies and lessons, the pupils are learning about the principles of Dignity of the Worker.
- Across the curriculum, pupils are also learning about Dignity of the Worker. For example in Maths lessons pupils explore fair wages and economic justice.
- Pupils are going on field trips to local shops and businesses that promote Dignity of the Worker such as RefillAbell in Bushey who source their products from ethical, sustainable, organic and local (where possible) businesses.
- Pupils are engaging in letter-writing campaigns to raise awareness about unfair labour practices and promote fair trade. Phase 5/6 have written letters to Mrs Smith asking for fair trade tea and coffee to be purchased for the staff room and for fair trade products to be used for school lunches.
- Pupils are writing and delivering thank you letters to workers in the local community.
- Pupils are taking extra care to ensure that they tidy all of their things at the end of the day so that the cleaners have tidy classrooms to clean.

Eco Ambassadors' Initiatives

The Eco Ambassadors have ordered compost and strawberry plants which they hope to plant before half term.
Next week, is Walk to School Week. We all know the health benefits of walking so please help us this week to reduce congestion by supporting children in being more active and help reduce lower carbon emissions during this Walk to School Week.
The Eco Ambassadors would like all our pupils to try and walk, cycle or scoot to school during this week. If it's not possible to walk all the way, then it would be great if you could park 10 minutes away from school and walk or scoot the last part of your journey.
Each class will have a poster featuring a map of Hertfordshire and the aim is to take a 'virtual' walk by helping Buster The Dinosaur (the Active and Safer Travel Team mascot) walk around Hertfordshire. Every time a pupil travels sustainably, a dot can be coloured in.
Following on from Walk to School Week, we will be supporting Clean Air Day on Thursday 20th June 2024, more information will be given closer to the date.

Caritas Ambassadors' Initiatives

Next week, the Caritas Ambassadors are carrying out their Community and Participation Catholic Social Teaching by helping Phase EYFS, Phase 1/2 and Phase 3/4 with their sports days. We look forward to seeing all the sporting activities and fun.

To end this half term's focus on Dignity of the Worker the Caritas Ambassadors have asked each phase to make thank you cards.

Phase EYFS	**Writing thank you cards for Caddy who cleans the Infant classrooms and the staff who work in their phase.**
Phase 1/2	**Writing thank you cards for our school cooks and the staff who work in their phase.**
Phase 3/4	**Writing thank you cards for Chris who cleans the Junior classrooms and the staff who work in their phase.**
Year 5	**Writing cards for the office staff, our caretaker and the staff who work in their phase.**
Year 6	**Writing cards for the staff who work at Longridge, the staff who took them on their residential trip and the staff who work in their phase.**

SACRED HEART CATHOLIC PRIMARY SCHOOL& NURSERY

Learner Acronym Focus

Currently we are focusing on E for Effort. Below are ways in which we support the pupils to put maximum effort into their leaning.

- We help pupils to develop a growth mindset by teaching them that abilities can be developed through dedication and hard work.
- We help the pupils to set themselves short and long-term goals.
- We connect tasks to the children's interests and show how they are relevant to their life.
- We give the children some choice over their activities to increase their sense of ownership and motivation.
- We celebrate success through verbal feedback, written comments, stickers, house points and celebration assemblies.
- We encourage pupils to self reflect on their progress and effort, discussing what strategies worked and what didn't.
- We encourage cooperative learning through group projects and activities.

British Values

We also actively promote British values to ensure our pupils are prepared for life in modern Britain. Pupils are encouraged to regard people of all faiths, races and cultures with respect and tolerance and understand that while different people may hold different views about what is 'right' and 'wrong' all people living in England are subject to its law. The key values are: Democracy, Rule of Law , Individual liberty , Mutual respect and Tolerance of those of different faiths, races and cultures.

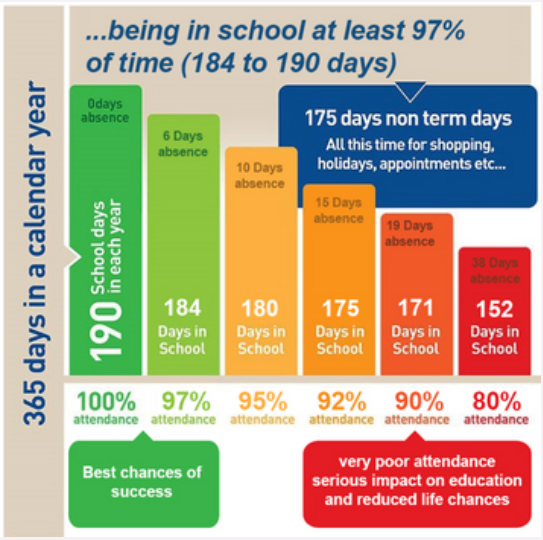

This half term, we are continuing to focus on Mutual Respect which links closely to our Catholic Social Teaching unity Dignity of the Worker. Some of the ways in which we will promote Mutual Respect are:

- Our curriculum explicitly teaches and emphasises the importance of values such as respect, empathy and kindness.
- In Catholic Social Teaching lessons, pupils will learn about the importance of everyone being treated with dignity in the work place.
- In RSE lessons pupil discuss, debate and role-play scenarios that highlight respectful behaviour.
- We have a buddy system where our Year 6 pupils are paired with a Reception pupil. This promotes role modelling and encourages older pupils to support and guide their younger peers.
- In the pupils' prayer books the pupils express their thoughts and feelings about the importance of showing respect to everyone.

Attendance and Punctuality Update

Our current attendance rate is still 96%. Thank you for your support with this as we are getting closer to our target of 97%. Regular attendance and punctuality is crucial for your child's academic progress and for fostering a positive and structured learning environment for the entire class.

We thank you for supporting this by ensuring your child is in school unless they are unwell and by dropping them off to school on time.

If in a school year, you are late every day by...	You would have lost approximately...	or you would have missed approximately...
5 Minutes	3.5 Days from School	18 Lessons
10 Minutes	7 Days from School	35 Lessons

Pupil Premium Funding

In certain circumstances, schools are able to claim approximately £1,600 of extra funding per child for pupils whose parents are in receipt of various benefits. This funding is available to all eligible children in school, from Nursery to Year 6. The criteria are the same as they would be for applying for 'free school meals' in KS2. The money can be used to support anything that improves a child's enjoyment, wellbeing, achievement or attainment at school. The funding could be used to pay for individual music tuition, 1:1 maths/literacy support, Breakfast Club and After School Club places, etc.
If you think that you or your partner may be eligible to claim this extra money for your child please apply directly using the following website:

https://www.gov.uk/apply-free-school-meals

Once successfully applied for, this funding will remain in place each year that your child is with us. However, you will need to reapply for the funding when your child moves from Nursery to Infant and Infant to Juniors (when they leave Nursery to move to Reception and when they leave Year 2 to move into Year 3). If you have any queries, please speak to the School Office in confidence.
