A Festive Message from the Head

Dear Parents and Carers,

Last week was filled with joy as we witnessed the incredible talents of our Phase 1/2 stars in the Nativity and the heart warming performances during the Junior Advent Service. The children's acting and singing were nothing short of magical, setting a beautiful tone for the Advent season. Thank you for joining us and being a part of these festive moments.

Our festive journey continues tomorrow with the Reception Nativity, followed by the Nursery Nativity on Thursday. We can hardly wait to see more of our little stars shining brightly on the stage.

Mark your calendars for the last day of term, where we invite the children to don their coziest Christmas jumpers, spreading warmth and holiday cheer. It's also Christmas Dinner day – a festive feast awaits our hungry learners!

Wishing you a delightful week filled with joy and laughter.

Warm regards,
Mrs. Smith

🌍 Sacred Heart's ECO Ambassadors Lead Festive Sustainability Effort! 🌟

On the 29th of November, the ECO Ambassadors led the school's first-ever Christmas Jumper Swap, marking a delightful and environmentally conscious initiative! 🎄👕

When discussing how to be more environmetally conscious the ECO Ambassadors shared that they often outgrow their festive jumpers each year. Recognizing the environmental impact of discarding these garments, as a significant percentage of the jumpers are made of plastic, they devised an ingenious solution – a Christmas jumper swap!

This heartwarming event allowed students to exchange their previously loved jumpers, ensuring a fresh and festive look without contributing to unnecessary waste. The enthusiastic participation of many children made this initiative a resounding success, with each now adorned in a different Christmas jumper for the upcoming festivities.

A special thank you goes to Mrs Leavens and the dedicated ECO Ambassadors for leading this eco-friendly and community-building event. Together, Sacred Heart is fostering a spirit of sustainability, one festive jumper at a time! 🎄👚

Thank you for supporting our commitment to a greener and more joyful planet.

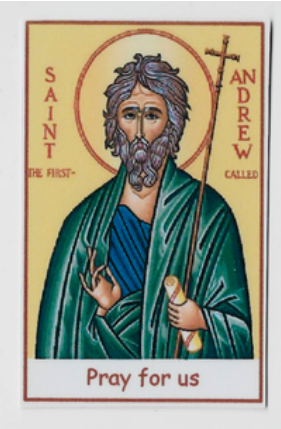

St. Andrew's Day

On the 30th of November, our school transformed into a sea of blue, white, and tartan as the children embraced the spirit of St. Andrew's Day.

St. Andrew, the patron saint of Scotland, teaches us valuable lessons in unity, kindness, and community. Just as he shared what he had with others, our students learned the importance of generosity, friendship, and coming together as one big Sacred Heart family.

St. Andrew's Day serves as a reminder that our differences make us unique, and it's in coming together that we create a harmonious and vibrant community. Let's carry the spirit of St. Andrew with us, fostering kindness, unity, and a love for learning every day.

Dear God.
We are thankful for the wonderful world we live in.
Thank you for all the Saints including Saint Andrew the Patron Saint of Scotland.
We think of Saint Andrew especially today as it has just past his special day.
Let us keep him in our hearts and thoughts.
Amen

🌟 Embracing the Option for the Poor!

This half term, we are focusing on the "Option for the Poor" – a theme rooted in compassion, kindness, and the teachings of our faith.
But what does "preferential option" really mean? Well, imagine being the first in line to choose your favorite treat. That's what it's like! It means giving someone the best, not just the leftovers or scraps. And guess what? God calls on us to do the same in our lives.
Our mission this term is to look out for those who might need a helping hand, a kind word, or a friend. It's about sharing and caring, making sure everyone feels special and loved. Just like how we'd want the best for ourselves, let's aim to give our best to others.
We'll be exploring stories, activities, and discussions that help us understand how we can be superheroes of kindness, supporting those around us in big and small ways. Together, we'll make our school a place where everyone feels valued and cherished.

🌟 Caritas Ambassadors' Festive Initiatives 🎄✨

Exciting news from our compassionate Caritas Ambassadors as they take the lead in spreading joy and goodwill this festive season!

1. Sponsored Run for Mary's Meals: Our Caritas Ambassadors are getting their running shoes ready and are set to lead a spirited sponsored run, all in the name of charity! The funds raised will go towards supporting Mary's Meals, ensuring that children in need receive nourishing meals and a brighter future. Get ready to cheer them on as they dash towards making a positive impact!

2. Christmas Hamper Collection by St Luke's House: In the spirit of giving, our Caritas Ambassadors in St Luke's House are spearheading a heartwarming Christmas Hamper collection. Each class will be collecting items to fill these hampers, which will be donated to the Bushey Red Trust Food Bank. Stay tuned for more information on how you can contribute to this beautiful initiative – let's make this season extra special for those in our community who may need a little extra support.

3. Christmas Card Campaign by St John's House: Meanwhile, the Caritas Ambassadors in St John's House are initiating a heart-touching Christmas Card campaign. Our creative youngsters will be crafting beautiful Christmas cards to spread festive cheer to members of our parish and local community. This thoughtful gesture aims to bring smiles and warmth to those around us during the holiday season.

We encourage you to join us in supporting these initiatives, fostering a spirit of generosity, love, and community within Sacred Heart Catholic Primary School. Together, let's make this festive season truly magical for everyone!

Learner Acronym Focus

Over the next two weeks, we are focusing on L for Love.
Here are some ways that children show love to their peers:

1. **Sharing:** Children share their equipment or toys with their friends as a way of expressing kindness and generosity.
2. **Kind Words:** Offering compliments, saying kind words, or giving encouragement to classmates demonstrates a positive and caring attitude.
3. **Helping Each Other:** Children can assist their peers with tasks, whether it's helping tie shoelaces, sharing school supplies, or assisting with classwork.
4. **Inclusion:** Actively including others in games and activities is a way of showing friendship and ensuring that no one feels left out.
5. **Apologising:** When conflicts arise, children may apologise and reconcile with each other, demonstrating empathy and a desire to maintain positive relationships.
6. **Celebrating Achievements:** Cheering on classmates for their achievements, whether big or small, fosters a supportive and positive class environment.
7. **Teamwork:** Collaborating on projects or group activities fosters a sense of unity and cooperation, allowing children to work together and achieve common goals.
8. **Empathy:** Displaying empathy and understanding when a friend is upset or facing challenges is a powerful way children show love and support for one another.

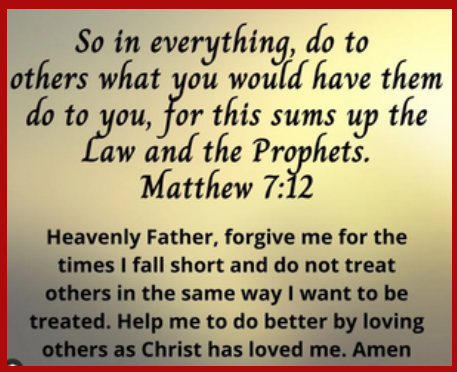

At home, please encourage and reinforce these positive behaviours, helping children develop social skills and emotional intelligence as they navigate relationships with their peers.

British Values

Alongside this we also actively promote British values to ensure our pupils are prepared for life in modern Britain. Pupils are encouraged to regard people of all faiths, races and cultures with respect and tolerance and understand that while different people may hold different views about what is 'right' and 'wrong' all people living in England are subject to its law. The key values are:

- Democracy
- Rule of Law
- Individual liberty
- Mutual respect
- Tolerance of those of different faiths, races and cultures.

This half term, we are focusing on Rule of Law. Each class in school creates their Class Promises at the beginning of the year, where the children agree on a set of principles that they should all follow. They understand how their actions and the actions of others have consequences and they learn to distinguish between right and wrong. They understand why rules apply to everyone and how rules are essential for the wellbeing and safety of all. Our school mission statement and code of conduct ensure that we shape our children to become valuable, caring, respectful and considerate members of our school, the local community and wider British society.

Attendance and Punctuality Update

Our current attendance rate stands at 96.%. While this is still commendable, we encourage all parents and guardians to prioritize regular attendance to ensure that every child has the best opportunity for academic success and social engagement.

Since September, we have recorded 313 instances of lateness. Punctuality is vital not only for your child's academic progress but also for maintaining a positive and structured learning environment for the entire class.

Regular attendance and punctuality lay the foundation for a successful learning experience. Children benefit from consistent routines, and arriving on time ensures they don't miss crucial instructional time.

How You Can Help:

- Ensure your child arrives at school on time.
- If your child is unwell, please inform the school as soon as possible.
- Schedule family holidays during school breaks to avoid disruptions.

We appreciate your ongoing support in reinforcing the importance of attendance and punctuality. Working together, we can create an optimal learning environment for every child at Sacred Heart Primary School.

School Crossing Patrol

Hertfordshire County Council are recruiting for a School Crossing Patrol for our school. Please see the flyer below:

Pupil Premium Funding

In certain circumstances, schools are able to claim approximately £1,600 of extra funding per child for pupils whose parents are in receipt of various benefits. This funding is available to all eligible children in school, from Nursery to Year 6. The criteria are the same as they would be for applying for 'free school meals' in KS2. The money can be used to support anything that improves a child's enjoyment, wellbeing, achievement or attainment at school. The funding could be used to pay for individual music tuition, 1:1 maths/literacy support, Breakfast Club and After School Club places, etc.

If you think that you or your partner may be eligible to claim this extra money for your child please apply directly using the following website:

https://www.gov.uk/apply-free-school-meals

Once successfully applied for, this funding will remain in place each year that your child is with us. However, you will need to reapply for the funding when your child moves from Nursery to Infant and Infant to Juniors (when they leave Nursery to move to Reception and when they leave Year 2 to move into Year 3).

If you have any queries, please speak to the School Office in confidence.
