SACRED HEART CATHOLIC PRIMARY SCHOOL & NURSERY

8th September 2023

Dear Parents and Carers,
I hope you all had a wonderful summer. It has been lovely to have the children back to school. They have all settled well into their new classes and are working very hard.
At the end of term, Ms McDonnell left Sacred Heart for an exciting new career opportunity. Ms McDonnell supported many pupils and classes over the years and we would like to say a big thank you to her. She will be missed but we know she will be a fantastic asset to her new work place. This term we have two new members of staff Mrs King and Mrs Kirrane. We welcome them to our staff team.
It was lovely to see so many of you at Mass today. We will be in Church again on Friday 12th October for our Harvest Festival. You are welcome to join us.
Have a lovely weekend.
Mrs Smith

FOSH

I would like to say a huge thank you to FOSH for all of the amazing fundraising events they put on. Not only did they raise a lot of money for the school, these events brought great fun to the school community. I am delighted to say that the amazing amount of £4126.74 was raised at the summer fete. Thank you to you all for supporting these events.

This fundraising has enabled FOSH to fund the redevelopment of the Prayer Garden. It is nearly finished and the children are looking forward to having their class collective worship in there. It will also be a place where they can go at lunchtimes to reflect and pray. We plan to have a blessing and opening of the garden when it is finished. We will let you know more information about this nearer the time.

Summer Work

Over the summer, we have had a lot of work undertaken. In the hall, we have some beautiful wall art with our mission statement and each of our house saints. Our chapel has been put into a room just off our hall.

The Year 5/6 classroom has been completely renovated, Year 6 and Year 4 have new ceilings and lighting. Year 3/4, the Maths room, medical room and all corridors have had new lighting. The Junior boys toilets have been renovated and we have a new SENCO room.

Our Class Saints

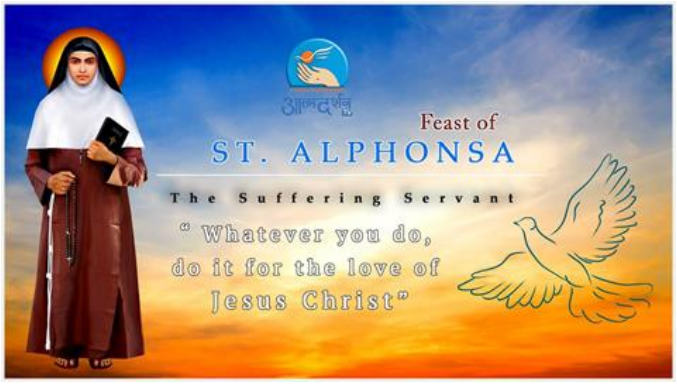

Each Class has a dedicated saint associated with each year group, as seen in the table below. The children will learn about the Saint's life, why they are good role models and how through their example we might become closer to Christ.

Year Group	Class Saints
Nursery	St Anne
Reception	St Francis
Reception	St Joseph
Year 1	St Anthony
Year 1/2	St Cecilia
Year 2	St Therese
Year 3	St Bernadette
Year 3/4	St Peter
Year 4	St Alphonsa
Year 5	St Josephine Bakhita
Year 5/6	St Padre Pio
Year 6	St John Bosco

As part of our Enrichment Units, each cohort revisits the Class Patron Saint at the start of every Academic Year. They also celebrate their Class Patron Saint's feast day. As they progress through the school, pupils learn about the different saints and make links between Gospel stories, the lives of the Saints and how they should live their own lives.

Saint Alphonsa

Saint Alphonsa's feast days was on 28th July during the school holidays. Year 4 are going to celebrate their class feast day on Friday 15th September. They may wear their

own clothes on this day to celebrate their class feast day. They will have a special collective worship and create liturgical art linked to Saint Alphonsa.

Saint Alphonsa was a religious sister and teacher who lived in India. She was the fourth of five children of a poor farming family and she grew up in a devout Catholic household. She entered the Franciscan Clarist convent at the age of 18 and took the name Sister Alphonsa. She faced many challenges and suffering throughout her life. Despite this, she remained deeply devoted to her vocation and to her mission of serving others.

Mission Statement, Aims & Values

Our mission statement is 'Loving and learning with Christ as our teacher.' We live this out in everything we do at school and it is underpinned by our core aims which are for the pupils to be:

Disciples of Christ
Ready to learn
Secondary Ready

To help these three core aims we focus on Catholic Social Teaching, our LEARNER acroymn and British Values.

Catholic Social Teaching:

Catholic Social Teaching (CST) is rooted in Scripture, formed by the wisdom of Church leaders, and influenced by grassroots movements. It is our moral compass, guiding us on how to live out our faith in the world.

Our faith calls us to love God and to love our neighbours in every situation, especially our sisters and brothers living in poverty. Following in the footsteps of Christ, we hope to make present in our unjust and broken world, the justice, love and peace of God.

This half term we are focusing on Care of Creation. As Christians, we are called to be good stewards of creation. That means we are meant to look after the world that God created for us. We must all work to leave our world in a better condition for the people who come after us. To support your children at home with this you you could research together World Day of Prayer for the Care of Creation (1st September) or COP27 (begins 7th November).

'Creation is a gift, it is a wonderful gift that God has given us, so that we care for it and we use it for the benefit of all.' Pope Francis Laudato Si.

Last year, our ECO Ambassadors took part in a project with the Watford Trust. Many schools were involved and I am delighted to say that it was our school's ideas which were chosen. Taking inspiration from Pope Francis' Laudato Si, their project was that when people attend Watford Football Club they receive seeds with their ticket. The children have also designed a small garden at Meriden Community Centre, last years ECO Ambassadors and our new ECO Ambassadors are going to help plant seeds in this garden. Well done to our ECO Ambassadors and thank you to Ms Leavens for supporting the children to do this.

As part of Catholic Social Teaching, we teach our pupils about the importance of serving others and promoting social justice. By engaging in acts of service and advocating for those in need, pupils develop a sense of worth by understanding their ability to make a positive impact on the world. Each pupil has a crucial role in

our school, holding our faith and social justice close to our hearts. We are activists for social change, which has been advocated by Pope Francis as he invites us all to be Missionary Disciples of Christ.

Here a few of their jobs they have around school:

Year Group	Catholic Social Teaching
Phase EYFS	Gardening Leaders
Phase 1/2	Playtime Equipment Leaders
Phase 3/4	Library Leaders
Year 5	Caritas Ambassadors
Year 6	Play Leaders & Reception Buddies

There are also a number of other jobs that the children do:

Chaplaincy Team:
House Captains
Class Apostles
Caritas Ambassador Leaders
ECO Ambassadors
Prayer Mentors

Other Leadership roles:
Digital Leaders
Milk Monitors
Book Monitors
Classroom library Monitors
Tidy Up monitors
Line Monitors
Sports Leaders
Eco Warriors

At Sacred Heart, we strive to ensure that all our children recognise their important role in continuing Christ's mission by promoting the Catholic Social Teachings where together we call for a better, more just world. Our Caritas Ambassadors lead the way in school; they put their faith into action and are involved in charitable acts, aware of environmental issues as stewards of creation and also promote love for their neighbours where people can live in peace and dignity.

We teach our children to think of what each of us can do to make a positive difference to others. This half term, the Caritas Ambassadors will be supporting the cake sale for Macmillan at our parish centre, leading the food collection for Harvest promoting Mary Meals a charity we support as a school.

Learner Acroymn:

We reviewed our Learner acroymn with the children and we have decided to change L to Love. This is to reflect that we are Sacred Heart Catholic Primary School & Nursery and our mission is to follow Jesus' message to 'love one another as I love you.' We are currently focusing on L.

L – Love
E – Engage
A – Articulate & Aspire
N – Nurture
E – Effort
R - Resilience

British Values:

Alongside this we also actively promote British values to ensure our pupils are prepared for life in modern Britian. Pupils are encouraged to regard people of all faiths, races and cultures with respect and tolerance and understand that while different people may hold different views about what is 'right' and 'wrong' all people living in England are subject to it's law. The key values are:

Democracy
Rule of law
Individual liberty
Mutual respect
Tolerance of those of different faiths, races and cultures.

This half term we are focusing on Democracy. We do this by:

Our House Captains and Class Apostles are our school council.
Pupils vote for Class Apostles.
The children take part in debates.
All pupils are listened to by adults.
We invite MPs and other speakers to the school.
We hold mock elections.
We participate in the UK Youth Parliament.

Class Prayers

Prayer and liturgy are integral components of the religious and spiritual life of our school.
Prayer and liturgy serve to foster a sense of faith, community, and reverence for God. They provide opportunities for our pupils to engage in worship, deepen their understanding of Catholic traditions, and develop a personal relationship with God within the context of their education.
Pupils are taught different prayers in each phase. If you would like your child to say these prays at home, please click on the on the prayer book links below.

Care of Creation

Loving God
We come together to thank you for our world. You created the Earth for us to live and prosper in. You taught us how to care for the world you created but we have not followed those laws. Let us give thanks for the joy our world brings us and pray that we become good stewards of creation.
Amen

Internet Safety Presentation

On Wednesday 13th September, Mrs Tizzard is leading a parent presentation on Internet Safety for Junior pupils at 5pm. This is a virtual meeting. We will send out details on how to access this.

CareTaker

We are currently recruiting for a new Caretaker.

Some of the tasks this involves are:

Carrying out day-to-day maintenance and minor repairs.

Booking outside contractors for major repair work.

Making sure heating, lighting and alarm systems are working properly.

Checking doors and windows are locked when the building is not in use.

Opening up buildings in the morning and lock them at the end of the day.

If you would be interested in this role, please contact the school office.

Attendance

It is very pleasing to see that we have started the year with excellent whole school attendance so far this term. Currently our whole school attendance is 98.6%. Thank you to all families for continuing to make a concerted effort to ensure that the children are in school and on time every day.

Punctuality

It is very important for children to arrive at school on time as their learning starts as soon as they arrive at school. Pupils who are late not only miss vital learning time but time to catch up with their friends and to be ready to learn. All pupils can arrive at school from 8:40am and their morning work is ready for them to start at this time. Pupils who arrive at this time are increasing their learning time and in turn their life chances.

Pupils are late if they arrive after this time:

Reception and Nursery – 8:45am

Phase 1/2 – 8:45am

Phase 3/4 – 8:50am

Phase 5/6 – 8:55am

Thank you for your support with this.

Wellbeing

The emotional well-being of our children and their families continues to remain a high priority as we settle back into school life.

https://www.nhs.uk/every-mind-matters/supporting-others/childrens-mental-health/

is a website that was released by Public Health England. The website is endorsed by the NHS and offers practical advice for both parents and children related to well-being and emotional health. Please do not hesitate to speak to the school should you need any further information or require further support in this area.

Secondary School Transfer Information

Secondary School admissions opened at the beginning of September and the closing date for all applications is 31st October 2023. We recommend that this is completed by Friday 20th October, so that if there are any queries, they can be dealt with ahead of the deadline.
Year 6 parents must complete the online form at www.hertsdirect.org/admissions and complete the school's Supplementary Information Form, which you can obtain from the school's website or during the school's Open Evenings.
Please note that all Catholic secondary schools require a Certificate of Catholic Practice, which can be obtained from your parish priest.

Pupil Premium Funding

In certain circumstances, schools are able to claim approximately £1,600 of extra funding per child for pupils whose parents are in receipt of various benefits. This funding is available to all eligible children in school, from Nursery to Year 6. The criteria are the same as they would be for applying for 'free school meals' in KS2. The money can be used to support anything that improves a child's enjoyment, wellbeing, achievement or attainment at school. The funding could be used to pay for individual music tuition, 1:1 maths/literacy support, Breakfast Club and After School Club places, etc.
If you think that you or your partner may be eligible to claim this extra money for your child please apply directly using the following website:
www.hertsdirect.org/freeschoolmeals
Once successfully applied for, this funding will remain in place each year that your child is with us. However, you will need to reapply for the funding when your child moves from Infant to Juniors (when they leave Year 2 to move into Year 3).

If you have any queries, please speak to the School Office in confidence.
