A message from the Head

Dear Parents and Carers,
January 2026 has been a wonderfully busy and uplifting start to the year for our school community. We began the term by gathering together for our Epiphany Mass on 6th January, which also marked the conclusion of the Jubilee Year. This special celebration invited us to give thanks for the many graces of the Jubilee and to carry its message of hope forward into the year ahead.
We ended the month by celebrating Candlemas and St John Bosco's Feast Day on 30th January. These celebrations provided another opportunity to come together as a community of faith, giving thanks for the light that guides us and renewing our commitment to the values that inspire and shape our school.
Thank you, as always, for your continued support. I look forward to sharing more updates and celebrations with you in the months ahead.
With warm wishes and blessings,
Mrs Smith

St John Bosco's Feast Day

On 30th January, St John Bosco's class celebrated the Feast Day of St John Bosco. Throughout the day, the children learned more about the life and work of St John Bosco, discovering how he dedicated his life to supporting and guiding young people with kindness, patience and faith.

They took part in a special collective worship, where pupils reflected on St John Bosco's belief that God has gifted everyone with unique talents. The children were encouraged to think about their own strengths and how they can use these gifts to help others and make a positive difference within our school community. It was a meaningful day of reflection that reinforced our shared values and inspired the children to recognise and celebrate their God-given talents.

FOSH

We are incredibly grateful for the continued dedication and support of FOSH, whose fundraising efforts make a real difference to our school. This year's Fireworks Display was a great success, raising an impressive £4,641.20, while our Christmas Fair brought in a fantastic £1,900. This total was shared with the parish, meaning that half of the proceeds will go directly towards improving the Infant climbing frame.

Thanks to this generous support, we are moving ever closer to achieving our aim of enhancing our outdoor play equipment for the children. We warmly encourage parents and carers to keep supporting future events by volunteering and attending whenever possible—your involvement is invaluable. If anyone is able to offer match funding from the Christmas Fair, please do get in touch, as this would significantly increase the funds raised.

Thank you once again for your kindness, generosity and ongoing commitment to our school community.

Upcoming Events:

- St Patrick's Night at the Parish Centre
- Selling Mother's Day Gifts
- Selling Father's Day Gifts
- Summer Fair

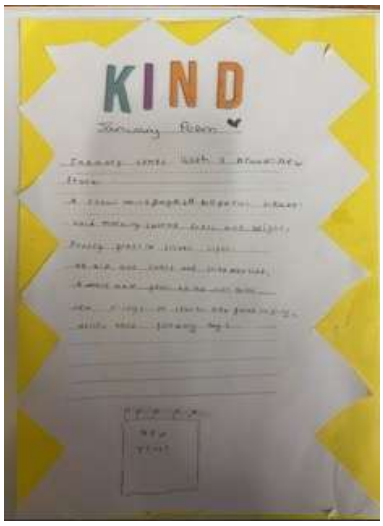

Poem of the Month

Our Poem of the Month is 'January' and every child was able to take a copy home to share with their family. The poem prompted thoughtful discussions at home and in school and, even more excitingly, inspired a great deal of creativity. Some of the activities included writing poems and creating 'Helpful Hands' filled with tasks to help others.

Below are some of the imaginative activities and projects that the children created in response to the poem:

Catholic Social Teaching

Catholic Social Teaching (CST) is grounded in Scripture, shaped by the wisdom of Church leaders, and inspired by the lived experiences of communities around the world. It serves as our moral guide, helping us to live out our faith in everyday life. Our call is always to love God and to love our neighbours, particularly those who are vulnerable or living in poverty, following the example of Christ by bringing justice, peace, and compassion into the world.

This half term, our focus has been on the CST theme of Solidarity and Peace. This theme reminds us of the importance of standing together as one human family, supporting one another, and fostering harmony in our communities. It encourages the children to be peacemakers, promoting understanding, cooperation, and care in all that they do.

At the start of the term, we held a special assembly to introduce this theme. During the assembly, the children reflected on what solidarity and peace mean in their own lives and discussed practical ways they could live out these values both at school and at home. These ideas have been explored further in RE lessons, helping the children understand the importance of acting with compassion and responsibility towards others.

As part of this focus, we are taking part in fundraising for CAFOD. During Feeling Good Week, the children are invited to donate £1 to support a group gift, providing essential aid such as emergency food, water, shelter, and training for refugees and those in need around the world. This is a tangible way for our school community to stand in solidarity with others and make a real difference. You can find out more at worldgifts.cafod.org.uk. We look forward to sharing how much we raise and the gift we are able to provide.

In the classroom, children have also engaged in reflections and discussions about how they can promote peace and solidarity in their daily lives. They have taken part in acts of kindness, looking for ways to support and encourage one another both inside and outside of school. It has been wonderful to see the children embrace these values with energy and enthusiasm.

Thank you for your continued support in helping us nurture a spirit of solidarity, compassion, and peace within our school community.

British Values

At our school, we aim to help children understand and live out the values that are important to life in modern Britain. These British Values are:

1. Democracy – Learning how to have a voice and make decisions together.
2. The Rule of Law – Understanding that rules and laws keep us safe and help us live peacefully together.
3. Individual Liberty – Knowing our rights and freedoms, and making choices responsibly.
4. Mutual Respect – Treating everyone with kindness, fairness, and understanding.
5. Tolerance of Those with Different Faiths and Beliefs – Celebrating diversity and learning from others.

This term, our focus is on the Rule of Law. We want the children to understand why rules are important, how they help protect everyone, and how they allow us to live together safely and happily.

Throughout the term, we will be exploring the Rule of Law in many ways:

- Class Discussions: Pupils will talk about why rules exist, both in school and in wider society, and what happens if rules are broken.
- Role-Playing Activities: Children will take part in scenarios to practise making fair decisions and solving problems responsibly.
- School Council Contributions: Pupils will have opportunities to suggest rules or improvements and understand the processes that make decisions fair.
- Reflecting on Justice and Fairness in RE and PSHE: Children will consider examples of fairness, responsibility, and justice in their lessons and relate these to everyday life.
- Rewards and Recognition: Positive behaviour and respect for rules will continue to be celebrated across the school.

By focusing on the Rule of Law this term, we hope to help our pupils develop a strong sense of responsibility, fairness, and respect for the rights and safety of others.

Spotlight on Learning

This half term we are focusing on A for Articulate & Aspire.
Our Learner Acronym: LEARNER

L – Love
E – Engage
A – Articulate & Aspire
R - Respect
N – Nurture
E – Effort
R – Resilience

This half term, our focus is on A for 'Articulate & Aspire'. We want to help our pupils express themselves confidently, share their ideas, and aim high in all that they do. Some of the ways we are encouraging this include:

- Class and group discussions to share ideas, listen to others, and practise expressing thoughts clearly.
- Public speaking opportunities, such as show and tell, storytelling, and debating, to build confidence in presenting to an audience.
- Vocabulary development, teaching new words and phrases to help pupils communicate effectively and creatively.
- Visits from community role models, who share their life experiences and achievements, inspiring pupils to set goals and follow their aspirations.
- Celebrating achievements, recognising pupils' efforts, progress, and successes, no matter how big or small.

Through focusing on Articulate & Aspire, we hope our children will grow in confidence, develop strong communication skills, and be inspired to reach for their personal best.

Spotlight on RE

Below are the topics the children will be learning about over the Spring Term in RE. Each topic is studied through focus lenses: Hear, Believe, Celebrate and Live. The names of these lenses reflect the structure and language of the Catechism of the Catholic Church, which teaches that the mystery of faith, once "heard" and received, requires believers to "believe in it," "celebrate it" through liturgy, and "live from it" in their daily lives.

Phase	Galilee to Jerusalem	Desert to Garden
Phase EYFS	**Hear:** The children will learn the following texts from the Bible: The Wise Men visit Jesus (Matt 2:1-12). Jesus welcomes the little children (Mk 10:v16). Jesus blesses the little children (story retold.) **Believe:** The children will learn that the Church teaches that: The Magi visited Jesus with gifts. Jesus is God's Son and came for everyone. Jesus' birth is celebrated at Christmas. **Celebrate:** The children will learn the prayer Glory Be. **Live:** The children will learn to live what they have learnt by welcoming and showing love to everyone in their words and actions as Jesus does. We are called to help the poor and hungry.	**Hear:** The children will learn the key facts from the Bible about Holy Week. **Believe:** The children will learn that the Church teaches that: Jesus died on Good Friday and rose again on Easter Sunday. Easter is a celebration that Jesus is with us still. Easter celebrates new life. **Celebrate:** The children will learn that: The Church uses purple and ashes as signs of Lent and being sorry. Representations of Holy Week and Easter: palms, the cross, Easter gardens, and symbols of new life. **Live:** The children will learn to care for others and to celebrate with signs and symbols – hot cross buns, garden growth, Easter eggs.
Phase 1/2	**Hear:** The children will learn the following texts from the Bible: The Presentation (Lk 2:22-38), Finding in the temple and the hidden life (Lk 2:41-52), Jesus announces his mission (Lk 4:16-22), The call of the disciples (Lk 5:1-11), Little children (Lk 18:15-17) and Zacchaeus (Lk 19:1-9) **Believe:** The children will learn that the Church teaches that: Jesus grows up and reveals the love of the Father to us. Some people that encounter Jesus recognise that he is the Son of God who has come to save all. Jesus is the 'light to all nations'. **Celebrate:** The children will learn that: The Feast of the Presentation of Jesus is celebrated by Christians around the world and is known as Candlemas in Britain. **Live:** The children will learn to live what they have learnt by: Following Jesus and sharing the Good News with others. Taking care of each other, especially those most in need, such as the poor.	**Hear:** The children will learn the following texts from the Bible: Jesus enters Jerusalem (Lk 19:28-38), Jesus teaches in the temple (Lk 19:47-48), The widow's mite (Lk 21:1-6), The last supper (Lk 22:7-23), The Crucifixion and death of Jesus (Lk 23:33-46), The angel's message (Lk 24:1-8) and Jesus is tempted in the desert for 40 days (Lk 4:1-13) **Believe:** The children will learn that the Church teaches that:: Lent is a special time for praying, fasting, and helping others as Jesus taught us to do. Jesus died and rose again. **Celebrate:** The children will learn: Some simple words, actions, and symbols from the Ash Wednesday liturgy and the Palm Sunday liturgy. Lent is when Christians prepare for Easter by thinking about how they could be closer to God by praying, giving up things that are not needed (fasting), and giving to those in need. **Live:** The children will learn to live what they have learnt by: Fasting in Lent. They will learn that this is a way of giving things up to help others and for Catholics, CAFOD Family Fast Day is a way of responding to this call.

Spotlight on RE

Phase	Galilee to Jerusalem	Desert to Garden
Phase 3/4	**Hear:** The children will learn the following text from the Bible: The visit of the Magi (Matt 2:1-12), Cure of the or centurion's servant (Matt 8:5-13) or Cure of a paralytic (Matt 9:1-8)Parable of the yeast (Matt 13:33) or Parable of the treasure and of the pearl (Matt 13:44-46) **Believe:** The children will learn that the Church teaches that: The Adoration of the Magi shows that all people are seeking Jesus and he comes for the whole world. The kingdom of God begins in all those who open their hearts to God's love. The miracles that Jesus worked expressed his love for all people and were signs that the kingdom of God was beginning. Jesus' parables to show the choices people must make to accept his invitation to the kingdom. **Celebrate:** The children will learn that: Praying the 'Our Father' helps Christians to continue to build the kingdom begun with Jesus. **Live:** The children will learn to live what they have learnt by learning about the life of a saint who worked to build the kingdom of God.	**Hear:** The children will learn the following text from the Bible: The miracle of the loaves (Matt 14: 13-21), The last supper (The institution of the Eucharist) (Matt 26: 26-29) and Extracts from a Eucharistic Prayer. **Believe:** The children will learn that the Church teaches that: A sacrament is a meeting point where people are blessed by God and become closer to the community of the Church. The Eucharist is a sacrament in which Jesus offers his life for the salvation of the world. He is present in Holy Communion to be received by those who believe. That at the Last Supper Jesus instituted the Eucharist. People give themselves to Jesus when they receive the Eucharist (Holy Communion). **Celebrate:** The children will learn: Some prayers and responses Catholics say during Mass. Some prayers and responses Catholics sing during the Eucharistic Prayer. Some ways people celebrate their first Eucharist (First Holy Communion). **Live:** The children will learn to live what they have lernt by learning the ways in which Catholics are called to live Eucharist by following the example of Jesus and by learning some different cultural practices associated with Holy Week (e.g., Maundy money in the UK, Green Thursday in Germany).

Spotlight on RE

Phase	Galilee to Jerusalem	Desert to Garden
Phase 5/6	**Hear:** The children will learn the following text from the Bible: The Beatitudes from the Sermon on the Mount (Matt 5:1-12), Jesus summarises the law (the great commandment) (Matt 22:36-40, Lk 10:27), A parable about living out Jesus' law (e.g., The Good Samaritan (Lk 10:25-37)), The Transfiguration (Matt 17:1-13) and Our Father prayer (Matt 6:7-13) **Believe:** The children will learn that: The Beatitudes show the loving face of Christ. The Beatitudes describe how faithful Christians should aim to live their lives. Christian hope and charity unfold from the Beatitudes as they show the path to a life in Christ. The Our Father is the perfect prayer given to us by Jesus himself. It is composed of seven petitions. At the Transfiguration Jesus revealed his divine glory. **Celebrate:** The children will learn: A petition is a form of prayer. The Our Father is the perfect prayer given to us by Jesus. The theological virtues help Christians follow Jesus' great commandment. **Live:** The children will learn to live what they have learnt by learning that: That the virtues of faith, hope and love help Christians to live out the Beatitudes. Examples of some artists who have imagined the Transfiguration.	**Hear:** The children will learn the following text from the Bible: A selection of Ash Wednesday readings e.g., Joel 2:12-18, Psalm 50:3-6, 12-14, 17, 2 Cor 5:20-6, Matt 6:1-6, 16-18, Temptation in the Wilderness (Matt 4:1-11) and The Resurrection of the Dead Paul (1 Corinthians 15:1-8, 20-25, 54-57) **Believe:** The children will learn that: Ash Wednesday marks the beginning of the season of Lent and is the first of the forty days of Lent leading up to Easter. The forty days refer to the time Jesus spent in the desert during which he was tempted. A sin is a word, deed, or intention by which a person deliberately chooses to turn away from God. Sin separates people from love and from good. All sins are damaging but some are so deadly they break our friendship with God. Conscience is an 'inner voice' that guides the choices people make. God speaks to people through their conscience. The Last Things are death, judgement, heaven, purgatory, and hell. Prayer is turning the heart towards God. **Celebrate:** The children will learn: What the ashes on Ash Wednesday symbolise. A simple examen and/or act of contrition. The Sorrowful Mysteries of the Rosary. **Live:** The children will learn to live what they have learnt by learning that: Prayer is a way of sharing with God everything that is in a person's heart, what makes them happy and what is troubling them. What Christians express by prayer postures e.g., kneeling, standing, sitting, joined hands.

Pupil Premium

In certain circumstances, schools can claim around £1,600 per child for pupils whose parents receive certain benefits. This applies to all children from Nursery to Year 6.
The funding can be used to support learning, wellbeing, and enjoyment at school, including things like 1:1 maths or literacy support and contributions to school trips.
Eligibility is the same as for Free School Meals in KS2.
To apply, visit: https://www.gov.uk/apply-free-school-meals
Once approved, the funding continues each year, but you'll need to reapply when your child moves from Nursery to Reception and Year 2 to Year 3.
If you have any questions, please speak to the School Office in confidence.
