A message from the Head

Dear Parents and Carers,

Next half term we have lots of exciting events and activities to look forward to.
We will be coming together to celebrate two special occasions — the Year 4 Mass and the Phase 5/6 Mass. These gatherings are a wonderful way for us to celebrate the children's achievements and to strengthen our sense of community through faith and friendship.
Our younger children in EYFS and Phase 1/2 are also busy rehearsing for their Nativity performance — always one of the highlights of the school year! We can't wait to see their amazing efforts on stage.
We're also thrilled to be holding STEAM Week after half term where the children will take part in a variety of fun and creative activities linked to Science, Technology, Engineering, Art and Maths. One of the highlights will be a special birds of prey workshop, which promises to be both exciting and educational.
Finally, we would like to share that Mrs Hussey has now begun her maternity leave. We wish her all the very best and look forward to hearing her wonderful news in due course.
Thank you for your continued support.

Have a lovely half term,
Mrs Smith

St Therese's Class Feast Day

On 1st October, St Therese's Class celebrated their special class feast day. The children enjoyed wearing their own clothes, taking part in a beautiful collective worship, and learning all about St Therese of Lisieux.

St Therese, whose full name was Therese Martin, was born in France in 1873. She grew up in a loving family with her father and four older sisters, who helped her to grow in faith and kindness. From a young age, Therese felt called to follow Jesus and later joined the Carmelite convent in Lisieux.

During her time there, she wrote about her life and her faith in a book called Story of a Soul, which became one of the most loved spiritual books in the world. In it, St Therese talks about how she tried to show love for Jesus through small acts of kindness and sacrifice — what she called her "Little Way."

Pope John Paul II later honoured St Therese as a Doctor of the Church, one of only four women to receive this special title, because of her deep wisdom and example of faith.

The children reflected on how, like St Therese, we can all show love through the little things we do every day — by being kind, patient, and helpful to others.

St Therese, pray for us.

St Francis' Class Feast Day

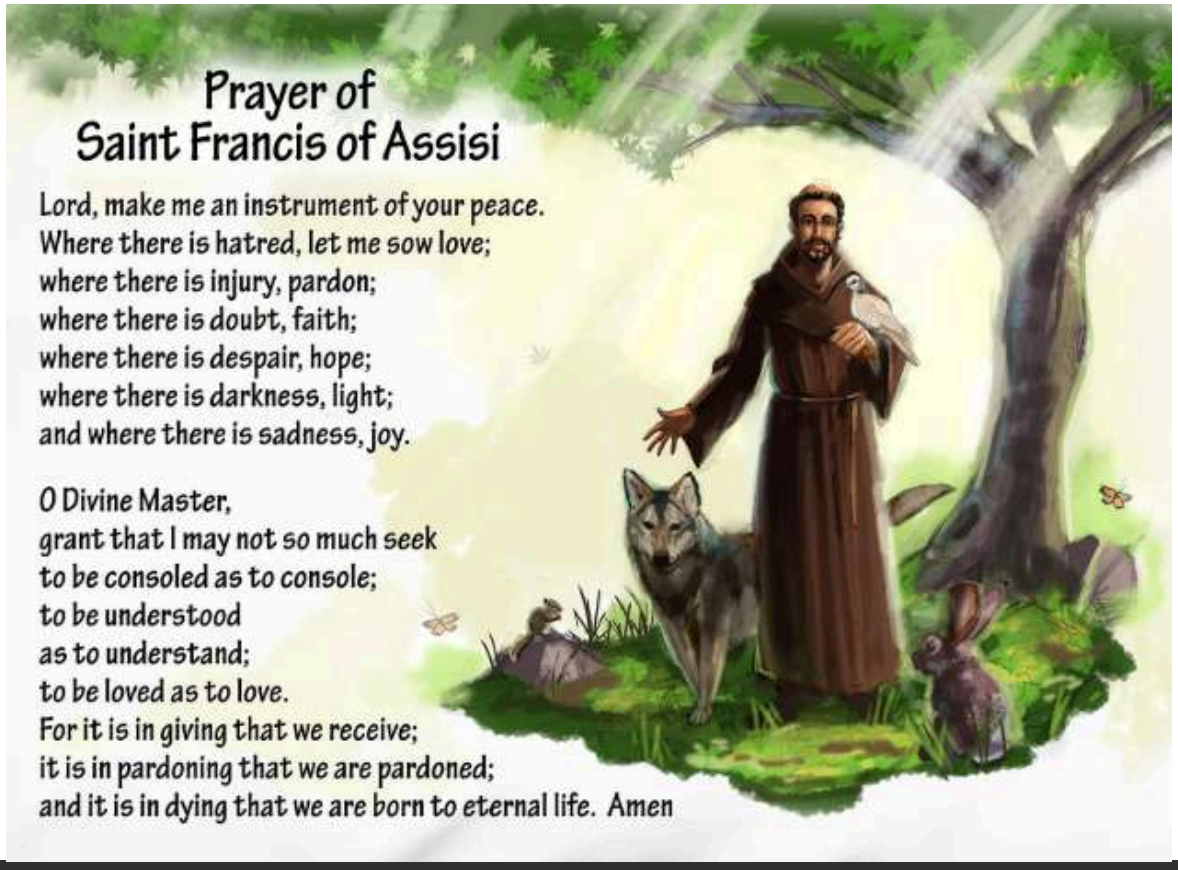

On 3rd October, St Francis' Class celebrated their special class feast day. The children enjoyed wearing their own clothes, taking part in a lovely collective worship, and learning all about St Francis of Assisi.

St Francis was born in Italy in 1181 and is remembered for his deep love of God's creation and his care for animals, people, and the environment. He believed that every living thing was a gift from God and called the sun, moon, and animals his brothers and sisters.

The children learned how St Francis lived a simple life of kindness, peace, and generosity, always helping those in need. They reflected on how they, too, can follow his example by showing kindness, respect for nature, and love for others in their daily lives.

To end the celebration, the class joined in a special prayer asking St Francis to help them live with joy, peace, and compassion.

St Francis of Assisi, pray for us.

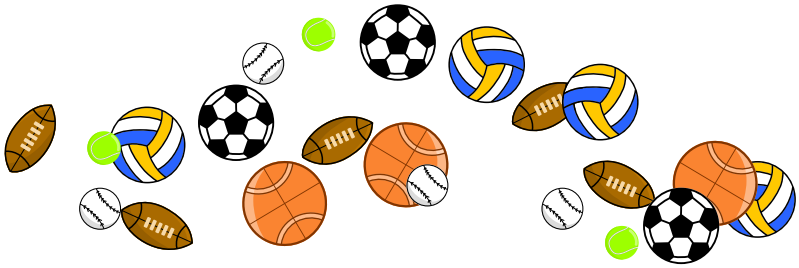

St Michael's Sporting Tournament

On 3rd October, our Year 6 children took part in the St Michael's Sporting Tournament. Despite the rainy weather, everyone had a fantastic time and represented our school with great enthusiasm and sporting spirit.

The boys' football team played brilliantly, showing excellent teamwork and determination as they made it all the way to the semi-finals. Meanwhile, the girls took part in a range of exciting sporting activities, demonstrating wonderful team spirit, effort, and encouragement for one another.

We are incredibly proud of all the children for their positive attitude and for being such fantastic ambassadors for our school. Well done, Year 6!

St Michael's One World Festival

On Friday 17th October, our Year 6 children visited St Michael's to take part in the One World Festival. They performed a beautiful song that reflected how God is always there for us, and their performance was both reverent and moving.

During the festival, the children gave thanks to God for our world and took time to reflect on how we can all work together to bring peace and care for one another.

We are incredibly proud of how wonderfully they represented our school—showing great respect, maturity, and joy throughout the celebration.

FOSH

We are very fortunate at Sacred Heart to have the Friends of Sacred Heart (FOSH) — a dedicated group of parents and carers who work tirelessly throughout the year to raise funds and support our school community.

FOSH organise a wonderful range of fundraising events, including the Fireworks Night, Christmas Fair, Mother's Day and Father's Day gift sales and the Summer Fair. These events not only bring our school community together but also raise vital funds that directly benefit our pupils.

Thanks to FOSH's amazing efforts and your generous support, the money raised over the years has made a huge difference to the school. Their donations have helped us to:

- Purchase new computing equipment for pupils to use in lessons
- Buy a wide selection of books for our classrooms
- Refurbish the school library
- Build our beautiful outdoor chapel
- Provide every Year 6 pupil with a leavers' hoodie each year
- Give each Year 3 pupil a Bible to use throughout their junior years

We are so grateful to FOSH for their continued support and hard work — they truly help make Sacred Heart such a special place for our children to learn and grow.

The money raised last year is now being used to replace the pirate ship and repair the two climbing frames on the Infant playground. This exciting work is scheduled to take place during the first week of November.

We know the children are really looking forward to seeing the improvements and will have a fantastic time playing on the new equipment once it is completed.

These fantastic events wouldn't be possible without the hard work and dedication of our amazing volunteers. To make sure these events can continue — and to help raise even more funds for our school — FOSH need more volunteers.

If you are able to help at any of the upcoming events, even for an hour, please let your class rep or the school office know. Every bit of help makes a big difference — after all, many hands make light work.

Upcoming Events:

- Saturday 8th November - Fireworks
- Saturday 6th December - Christmas Fair

Catholic Social Teaching

This half term, our school has been focusing on Care of Creation as part of Catholic Social Teaching (CST). CST is rooted in Scripture, guided by the wisdom of the Church, and inspired by people around the world working for justice and care. It reminds us to love God and love our neighbour, especially those most in need, and to live out our faith in everyday life.

We celebrated this focus through our Harvest Liturgy, where we came together to thank God for creating our world. The Year 5 pupils led the service, reading with confidence and reverence, while all the children sang joyfully. Many parishioners commented on how lovely the service was and how fantastic the children behaved. During the liturgy, we also donated food to the Bushey Red Trust, helping those in our community who are less fortunate.

In addition, we have selected Eco Ambassadors in each class. These children are helping to lead litter picking and ensure that lights are switched off when classrooms are empty. Their work is a wonderful example of how we can all take practical steps to care for God's creation every day.

We are proud of the children for their thoughtful actions and for showing how we can all look after the environment and support others. As Pope Francis reminds us in Laudato Si:

"Creation is a gift, it is a wonderful gift that God has given us, so that we care for it and we use it for the benefit of all."

Spotlight on Learning

This half term we focused on L.
L – Love
E – Engage
A – Articulate & Aspire
R - Respect
N – Nurture
E – Effort
R - Resilience

The children have shown love in many wonderful ways:

- Kind Words 🗣️: Saying “thank you,” “well done,” or encouraging friends.
- Help & Share 🤝: Helping others and sharing resources.
- Listen & Care 👂💛: Paying attention and showing understanding.
- Include Everyone 🌈: Inviting others to join games and activities.
- Respect Differences 🌍: Celebrating everyone’s talents and ideas.
- Say Sorry & Forgive 🙏: Apologising and forgiving friends.
- Play Fairly ⚽: Taking turns and cheering each other on.
- Be There for Friends 🤗: Comforting others and showing kindness.

Well done to all our children for showing love and kindness every day!

O Great Lord Above,
We pray to you and Jesus Christ our Saviour to thank you for such a glorious harvest this autumn. It is a season of remembrance and harvest. Help us to look after each other especially the poor.
Amen

Black History Month – Learning About Significant People

As part of Black History Month, in English, each class has been exploring the lives of significant individuals and writing about their achievements. Through these studies, our children learn important lessons about courage, perseverance, equality, and making a positive difference in the world.

- Nursery: Benjamin Zephaniah – learning about creativity and expressing ourselves through words and poetry.
- Reception: Mae Jemison – learning that we can reach for the stars and follow our dreams.
- Year 1: Rosa Parks – learning the importance of standing up for fairness and equality.
- Year 1/2: Mary Seacole – learning courage and kindness in helping others.
- Year 2: Martin Luther King Jr. – learning about equality, peaceful protest, and hope for a better world.
- Year 3: Floella Benjamin – learning determination and using our voice to inspire others.
- Year 3/4: Walter Tull – learning bravery, breaking barriers, and challenging prejudice.
- Year 4: Bessie Coleman – learning to pursue our dreams, even when others say it's impossible.
- Year 5: Nelson Mandela – learning forgiveness, resilience, and fighting for justice.
- Year 5/6: Harriet Tubman – learning courage, selflessness, and helping others in need.
- Year 6: Harold Moody – learning about challenging discrimination and promoting equality.

While Black History Month is a special focus in October, our pupils learn about significant people across the curriculum all year, including in RE, Science, History, Geography, Music, Art, and Design & Technology, discovering the contributions of people from diverse backgrounds in many fields.

By learning from these remarkable individuals, our children are inspired to make a difference, show kindness, and aim high in everything they do.

British Values – Democracy This Half Term

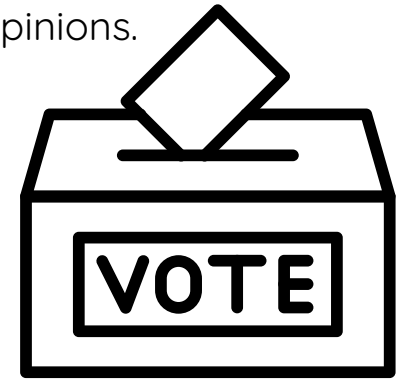

This half term, our focus was on Democracy. At Sacred Heart, pupils learned how to make their voices heard and respect others' views through:

- House Captains were selected and children voted for Class Apostles to join the school council
- Across the curriculum the children took part in debates and shared their opinions
- The Year 6 and Reception Buddy system has been set up
- Pupils have shared their views on what they think is going well at lunchtimes and things that could improve it further.

These activities helped children understand the importance of participating in a democratic society and respecting different ideas and opinions.

Secondary School Transfer Information

Secondary School admissions opened at the beginning of September and the closing date for all applications is 31st October 2025. We recommend that this is completed by Friday 17th October, so that if there are any queries, they can be dealt with ahead of the deadline.

Year 6 parents must complete the online form at www.hertsdirect.org/admissions and complete the school's Supplementary Information Form, which you can obtain from the school's website or during the school's Open Evenings.

Please note that all Catholic secondary schools require a Certificate of Catholic Practice, which can be obtained from your parish priest.

Attendance and Punctuality – Why It Matters

At Sacred Heart, we know that regular attendance and arriving on time are essential for your child's learning, wellbeing, and social development. Every day counts in primary school, as children learn new skills, build confidence, and develop friendships through consistent participation.

Why attendance is important:

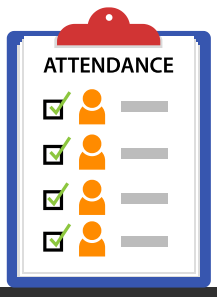

Learning continuity: Missing school means children can fall behind in lessons and struggle to catch up.
Building friendships: Regular attendance helps children maintain friendships and feel part of the school community.
Establishing routines: Being in school every day helps children develop habits that support lifelong learning.

Why punctuality matters:

Settling in for learning: Arriving on time ensures children can start the day calmly and get the most from lessons.
Minimising disruption: Late arrivals can interrupt the teacher and other pupils, affecting everyone's learning.
Life skills: Developing punctuality prepares children for future responsibilities.

We thank parents and carers for your continued support in ensuring your child is at school every day and on time. Together, we help children thrive academically, socially, and emotionally.

Supporting Your Child's Wellbeing This Season

As the days get shorter, children may feel more tired or anxious. Here are some simple ways to help them stay happy and healthy:

Keep a routine 🕘 – consistent bedtimes and mornings help children feel secure.

- Stay active ⚽ – outdoor play or family walks boost mood and focus.
- Eat well 🍎 – balanced meals give energy for learning.
- Talk & listen 💬 – encourage your child to share their thoughts and feelings.
- Relax & unwind 🧘 – quiet time, reading, or mindfulness reduces stress.
- Reduce screen time 📵 – balance online activities with play and hobbies.
- Praise effort 🌟 – celebrate achievements to build confidence and resilience.

Small daily steps make a big difference to your child's wellbeing and readiness to learn!

Pupil Premium

In certain circumstances, schools can claim around £1,600 per child for pupils whose parents receive certain benefits. This applies to all children from Nursery to Year 6.

The funding can be used to support learning, wellbeing, and enjoyment at school, including things like 1:1 maths or literacy support and contributions to school trips.

Eligibility is the same as for Free School Meals in KS2. To apply, visit: https://www.gov.uk/apply-free-school-meals

Once approved, the funding continues each year, but you'll need to reapply when your child moves from Nursery to Reception and Year 2 to Year 3.

If you have any questions, please speak to the School Office in confidence.
