Headteacher's Message

Dear Parents and Carers,

It has been a wonderful couple of weeks back at school, and I am pleased to share that the children have settled beautifully into their new classes. They are already working very hard, and their enthusiasm for learning is clear to see. This term we welcome Mrs Tobin to our staff team and welcome Mr Reynolds back.

Over the next term, myself and Mrs Payne will be supporting St Theresa's Catholic Primary School in Borehamwood whilst the headteacher is on maternity leave.

It was lovely to see so many of you at Mass last Friday. Your presence made it a special occasion for the children and staff alike. We will be gathering in Church again on Friday, 9th October, for our Harvest Festival. You are most welcome to join us for this celebration.

Warm regards,
Mrs. Smith

ST ALPHONSA'S FEAST DAY

Saint Alphonsa's feast days was on 28th July during the school holidays. Year 4 celebrated her feast day on Thursday 12th September. They came to school dressed in their own clothes, learnt about St Alphonsa and had a special collective worship.

Saint Alphonsa was a religious sister and teacher who lived in India. She was the fourth of five children of a poor farming family and she grew up in a devout Catholic household. She entered the Franciscan Clarist convent at the age of 18 and took the name Sister Alphonsa. She faced many challenges and suffering throughout her life. Despite this, she remained deeply devoted to her vocation and to her mission of serving others.

Summer Work

Over the summer we continued our programme of renovation. From our school funds and support from FOSH we had the Year 4 classroom completely renovated which looks fantastic. Also our Wifi was upgraded to ensure that all areas of the school have the most up to date and speedy Internet access.

With funding from the Diocese we have a new Fire Alarm system and new internal fire doors which look very smart. During half term we will be getting new external doors.

I would like to thank parents for contributing to our Governor's Fund. This supports us in paying 10% towards work completed by Diocesan funding. Also, thank you for supporting FOSH events as this helped us with our classroom renovation. FOSH are also supporting us to further develop the play equipment outside for pupils during lunchtimes and to develop a memorial garden.

SPOTLIGHT ON RE

Our Class Saints

Each Class has a dedicated saint associated with each year group, as seen in the table below. The children will learn about the Saint's life, why they are good role models and how through their example we might become closer to Christ.

As part of our Enrichment Units, each cohort learns about their Class Saint at the start of every Academic Year. They also celebrate their Class Saint's feast day. As they progress through the school, pupils learn about the different saints and make links between Gospel stories, the lives of the Saints and how they should live their own lives.

Mission Statement, Aims & Values

Our mission statement is 'Loving and learning with Christ as our teacher.' We live this out in everything we do at school and it is underpinned by our core aims which are for the pupils to be:

Disciples of Christ
Ready to learn
Secondary Ready

To help these three core aims we focus on Catholic Social Teaching, our LEARNER acroymn and British Values.

Catholic Social Teaching:

Catholic Social Teaching (CST) is rooted in Scripture, formed by the wisdom of Church leaders, and influenced by grassroots movements. It is our moral compass, guiding us on how to live out our faith in the world.

Our faith calls us to love God and to love our neighbours in every situation, especially our sisters and brothers living in poverty. Following in the footsteps of Christ, we hope to make present in our unjust and broken world, the justice, love and peace of God.

This half term we are focusing on Care of Creation. As Christians, we are called to be good stewards of creation. That means we are meant to look after the world that God created for us. We must all work to leave our world in a better condition for the people who come after us. To support your children at home with this you you could research together World Day of Prayer for the Care of Creation (1st September) or COP27 (begins 7th November).

'Creation is a gift, it is a wonderful gift that God has given us, so that we care for it and we use it for the benefit of all.' Pope Francis Laudato Si.

Last year, our ECO Ambassadors organised a Christmas Jumper Swap, led litter picking around the school and started to grow fruit and vegetables. Well done to our ECO Ambassadors and thank you to Ms Leavens for supporting the children to do this.

As part of Catholic Social Teaching, we teach our pupils about the importance of serving others and promoting social justice. By engaging in acts of service and advocating for those in need, pupils develop a sense of worth by understanding their ability to make a positive impact on the world. Each pupil has a crucial role in our school, holding our faith and social justice close to our hearts. We are activists for social change, which has been advocated by Pope Francis as he invites us all to be Missionary Disciples of Christ.

Here a few of their jobs they have around school:

Year Group	Catholic Social Teaching
Phase EYFS	Gardening Leaders
Phase 1/2	Playtime Equipment Leaders
Phase 3/4	Library Leaders
Year 5	Caritas Ambassadors
Year 6	Play Leaders & Reception Buddies

There are also a number of other jobs that the children do:

Chaplaincy Team:
House Captains
Class Apostles
Caritas Ambassador Leaders
ECO Ambassadors
Prayer Leaders

Other Leadership roles:
Digital Leaders
Milk Monitors
Book Monitors
Classroom library Monitors
Tidy Up monitors
Line Monitors
Sports Leaders
Eco Warriors

At Sacred Heart, we strive to ensure that all our children recognise their important role in continuing Christ's mission by promoting the Catholic Social Teachings where together we call for a better, more just world. Our Caritas Ambassadors lead the way in school; they put their faith into action and are involved in charitable acts, aware of environmental issues as stewards of creation and also promote love for their neighbours where people can live in peace and dignity.

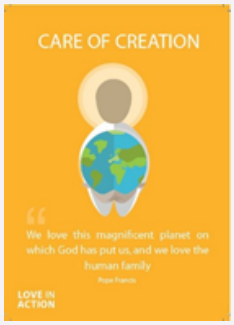

We teach our children to think of what each of us can do to make a positive difference to others. This half term, the Caritas Ambassadors will be supporting the cake sale for Macmillan at our parish centre, leading the food collection for Harvest and promoting Mary Meals as a charity we support as a school.

Loving God
We come together to thank you for our world.
You created the Earth for us to live and prosper in. You taught us how to care for the world you created but we have not followed those laws. Let us give thanks for the joy our world brings us and pray that we become good stewards of creation.
Amen

Phase Prayers

Prayer and liturgy are integral components of the religious and spiritual life of our school.

Prayer and liturgy serve to foster a sense of faith, community, and reverence for God. They provide opportunities for our pupils to engage in worship, deepen their understanding of Catholic traditions, and develop a personal relationship with God within the context of their education.

Pupils are taught different prayers in each phase. These prayers are in line with the prayers in The Prayer & Liturgy Directory for Catholic schools.

Spotlight on Learning

Learner Acroymn

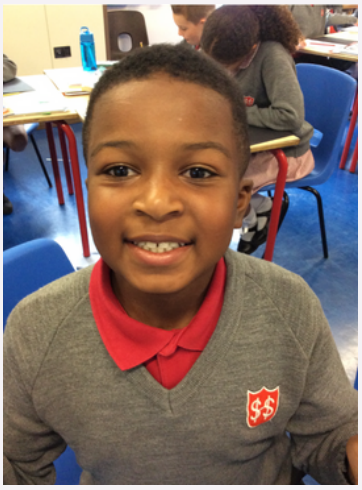

We reviewed our Learner acroymn with the children and we have decided to change L to Love. This is to reflect that we are Sacred Heart Catholic Primary School & Nursery and our mission is to follow Jesus' message to 'love one another as I love you.' We are currently focusing on L.

L – Love
E – Engage
A – Articulate & Aspire
N – Nurture
E – Effort
R - Resilience

In assembly last week the pupils came up with a list of things they would do in the classroom to show each other love. These are:

Listen to the teacher
Listen to each other
Take turns
Share school resources e.g. pencils
Help someone if they are stuck
Be patient
Install calmness in the classroom with indoor voices
Pick up anything that they drop
Tidy their things at the end of a lesson
Say please and thank you

British Values

Alongside this we also actively promote British values to ensure our pupils are prepared for life in modern Britian. Pupils are encouraged to regard people of all faiths, races and cultures with respect and tolerance and understand that while different people may hold different views about what is 'right' and 'wrong' all people living in England are subject to it's law. The key values are:

Democracy
Rule of law
Individual liberty
Mutual respect
Tolerance of those of different faiths, races and cultures.

This half term we are focusing on Democracy. We do this by:

Our House Captains and Class Apostles are our school council.
Pupils vote for Class Apostles.
The children take part in debates.
All pupils are listened to by adults.
We invite MPs and other speakers to the school.
We hold mock elections.
We participate in the UK Youth Parliament.

Secondary School Transfer Information

Secondary School admissions opened at the beginning of September and the closing date for all applications is 31st October 2023. We recommend that this is completed by Friday 20th October, so that if there are any queries, they can be dealt with ahead of the deadline.
Year 6 parents must complete the online form at www.hertsdirect.org/admissions and complete the school's Supplementary Information Form, which you can obtain from the school's website or during the school's Open Evenings.
Please note that all Catholic secondary schools require a Certificate of Catholic Practice, which can be obtained from your parish priest.

Attendance and Punctuality Update

Since the pandemic, pupils' attendance has dramatically decreased across all schools. The government is introducing drastic measures to fight this issue. Starting on August 19th, 2024, the Department for Education (DfE) will introduce a new National Framework concerning Unauthorised Absence and Penalty Notices. Unauthorised Absence includes term-time holidays or any absence that has not been approved by the school. Please be aware that this is a nationwide policy that must be followed by all schools in England.

National Threshold

The National threshold for when a penalty notice is given is 10 sessions (5 school days) of unauthorised absence within a rolling 10-school-week period. These sessions do not have to be consecutive and can consist of any type of unauthorised absence. The 10-school-week period can span over different terms or school years.
The following changes will be put into effect:

First Offence

The first time a Penalty Notice is issued for term-time leave of absence or unauthorised absence, the amount will be:
• £160 per parent, per child paid within 28 days;
• reduced to £80 per parent, per child if paid within 21 days.

Second Offence (within 3 years)

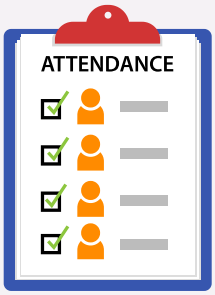

The Second time a Penalty Notice is issued for unauthorised absence, the amount will be:
• £160 per parent, per child within 28 days.

Third Offence and Any Further Offences (within 3 years)

The third time an offence is committed, a Penalty Notice will not be issued and the case will be presented straight to the Magistrate's Court.
• Prosecution can result in criminal records and fines up to £2.500
• Cases found guilty in Magistrates' Court can show on the parent's future DBS certificate due to 'failure to safeguard a child's education'.

Please note that all of our pupils' attendance is regularly checked by Hertfordshire County Council Attendance Improvement Officers. Therefore, the school does not have any discretion regarding term-time holidays. Moreover, the school will have to adhere to the new National Framework.

Wellbeing

We have joined the 'Smartphone-Free Childhood' Campaign Schools with the Bushey & Radlett Primary Schools.
We are doing this by raising awareness of the risks and issues smartphones pose and are asking all parents to delay giving their children phones at such an early age (primary years).
School staff and Family Support Workers often see the affects mobile phone usage can have in regards to a child's social skills, mental health, self-esteem and we encourage parents to have a tighter control.
No child from Nursery to Year 5 should bring a phone to school. If a Year 6 pupil is walking home and their parent feels they require a phone they may bring in a phone that can only send texts and make calls. These must be handed to the teacher. They cannot bring in a smartphone.
We thank you for your support with this.
Please see more information via the following link.
https://smartphonefreechildhood.co.uk

Pupil Premium Funding

In certain circumstances, schools are able to claim approximately £1,600 of extra funding per child for pupils whose parents are in receipt of various benefits. This funding is available to all eligible children in school, from Nursery to Year 6. The criteria are the same as they would be for applying for 'free school meals' in KS2. The money can be used to support anything that improves a child's enjoyment, wellbeing, achievement or attainment at school. The funding could be used to pay for 1:1 maths/literacy support and towards school trips.
If you think that you or your partner may be eligible to claim this extra money for your child please apply directly using the following website:

https://www.gov.uk/apply-free-school-meals

Once successfully applied for, this funding will remain in place each year that your child is with us. However, you will need to reapply for the funding when your child moves from Nursery to Infant and Infant to Juniors (when they leave Nursery to move to Reception and when they leave Year 2 to move into Year 3).
If you have any queries, please speak to the School Office in confidence.
