

## Welcome

Another year has flown past at Sacred Heart, there have been some big changes but one thing that has remained constant is your unwavering support for FOSH. Our mission is to raise funds, that will be spent on resources that the school might not otherwise be able to afford. As volunteers we work on FOSH in our spare time and like all parents we are juggling children, jobs and homes so, without your help, we simply couldn't make this the success it is.

Thank you for a fantastic 2018/2019

## Dads Football Tournament

The fundraising for this year isn't quite finished... the inaugural Dads Football Tournament takes place this weekend. So if you fancy a day out with the family please come along on Sunday from 1pm to support the event.

If you can't make it on the day Sera and Louise will be selling raffle tickets in the playground this week, there are over 30 prizes to be won so you're in with a good chance!

## Pamper Night

Christine and Jo Jo organized a relaxing 'Pamper' evening back in March. With massages, facials and reflexology on offer from local beauty therapists. There were mum and me sessions running throughout the event so children were able to treat their mum and share in some quality time together. The support they received was fantastic with many in attendance asking 'Will you do it again next year?'

## St Patricks Day Disco

Naomi and Lisa organised a St Patricks Day Disco in the church hall. This is an annual event, which benefits a different charity every year

SACRED HEART PRIMARY SCHOOL PRESENTS

and this year FOSH were lucky enough to be chosen. It was a real taste of Ireland with an energetic Irish dancing display, delicious Irish coffee and cheeky Irish leprechauns on the tuck shop! A fantastic night was had by all, as different generations of friends and family came together for a fun filled celebration.

## Secrets Room and Tuck Shop

Over the past few months we ran 'after school' stalls, including secrets rooms and tuck shops, which have raised nearly £350. Thank you for continuing to support us, every penny counts and every penny is spent on the school.

We wish our year 6 children all the love in the world as you prepare to leave Sacred Heart for pastures new. You have grown into capable, confident heads of the school and we couldn't be prouder.

To all our friends who are leaving Sacred Heart in July for the last time, we wish you well and thank you for the support you have given FOSH over the years.

A special mention for Ania, our fantastic FOSH treasurer, who has decided to step down. Ania has steered a steady ship as we have transitioned to charity status. We will miss your smile and positivity very much. Thank you

God Bless x

## Looking ahead to September 2019

Our Executive Head, Mrs Payne will be holding information sessions during the coming months to tell parents about upcoming plans.

Details of times and dates will be sent via 'Parent Mail' in the usual biweekly school newsletter.

FOSH meetings and events are also advertised via 'Parent Mail'

*If you would like to sign up to 'Parent Mail', please speak to the school office.*

## SPRING FAIR

Our Spring fair took place in May and a wonderful time was had by all. We had some brilliant new stalls, introduced by the year 1 - 2 parents, which helped to raise a total profit of £4500.

There were a number of 'show cases' with Irish dancing and Salsa dancing displays, and acoustic music from 2 very talented young musicians, who gave their time for free.

The teachers and governors were in attendance with their traditional tombola stalls and Mrs Payne even braved 'the stocks', allowing children to drench her with wet sponges, much to their delight.

The hungry hoardes were well fed with a tasty BBQ, tuck shop and ice cream van.

The children were entertained with a variety of activities including crafts, contests, a toy stall, face painting and the popular inflatables.

A massive Thank you to all of our volunteers for your help, we couldn't organise an event on this scale without you!

# Spending Plans

At the beginning of every academic year FOSH committee ask the head teacher and staff for a 'wish list' of items they would like FOSH to help them to purchase. With the recent change in leadership and with a successful bid having been won for essential building works, the list has been reprioritised. To that end FOSH committee have agreed to the following spending in the immediate term with plans for next years spending already taking shape. ...

- £2000 will go towards resources and redecoration for early years foundation classes
- £9400 to buy Maths No Problem! books and resources
- £5000 towards literacy resources with a further £5000 pledged for next term.

A full treasurers report will be delivered at the AGM, detailing money raised and money spent during 2018/19.

## Meeting challenges together

We strongly believe that school and parents working in partnership is the most positive way to raise money and secure the best educational experiences for our children.

With your help FOSH raised a huge amount this year and every penny will be spent on the school.

If you would like to become more involved with FOSH, in any capacity please come along to our AGM or email [fosh@sacredheart682.herts.sch.uk](mailto:fosh@sacredheart682.herts.sch.uk)

## See you next year ...
