

Year 1/2 Homework
Week beginning 23rd November 2020. Due: 30th November 2020

Class News

Dear Parents,

Thank you for helping your child to learn their lines for our Christmas play.

Our PE day is Thursday so children need to come into school wearing PE kit and with the school tracksuit on top. Earrings should not be worn on PE days and hair must be tied up if long enough.

Have a good week.

Maths

This week's homework is to complete the assignment on My Maths.

Reading

Please continue to read school reading books and record this at least four times each week. Please make sure that the comments are dated and signed. Children should ask an adult to ask them three questions about their book.

Continue to learn your lines and practise your loud voice, expression and body language. Do you know who is before and after you? We have uploaded the music files of the songs on Google Classroom for you to practice at home. Please let us know if you have any difficulties accessing these.

English

We are working hard on the presentation of our writing. You now have a copy of the handwriting expectations for Phase 1/2 for writing and number formation for maths. Please encourage your child to practice them when completing their homework.

Parents, please practise these dictation sentences with your child. They include some common exception/high frequency spellings they need to learn. They should write each sentence three times in their homework book. Remember capital letters and full stops, please! We will be checking their progress next week.

1. There were **many** books in the library.
2. I ate a **whole** muffin for breakfast.
3. Don't forget to **water** the plants!

Extra challenge: use the common exception words in **bold** to write your own questions. Remember to use a question mark.

RE

Our topic in RE is 'Advent to Christmas', please talk with your child about your family's Advent traditions and record on the sheet enclosed so we can use this in class.
