

Year 1/2 Homework
Week beginning 30th November 2020
Due 7th December 2020

Class News

Dear Parents,

Please continue to read school reading books and record this at least four times each week. Please make sure that the comments are dated and signed. Children should ask an adult to ask them three questions about their book.

Our PE day is Thursday so children need to come into school wearing PE kit and with the school tracksuit on top. Earrings should not be worn on PE days. Hair must be tied up if long enough.

Have a good week.

School Production

Your child has been sent home with a letter stating what outfit to bring in for the school play. Please can this be bought into school in a named carrier bag by Friday 4th December. If you have any problems sourcing any items, please let us know as soon as possible. We will give you details on how to access the school play in due course.

Reading

Continue to practice your lines for the school play.

Maths

This week's homework is to complete the assignment on My Maths.

Extension: Start to learn your 3 times tables.

English

We are working hard on the presentation of our writing. You now have a copy of the handwriting expectations for Phase 1/2 for writing and number formation for maths. Please encourage your child to practice them when completing their homework.

Practise spelling the underlined words at home. Write the sentences three times in your homework book.

1. I am a kind friend
2. I want to improve my handwriting.
3. We learnt about half turns.

Extension: Put the underlined words into your own sentences.
